#### **BACKGROUND**

Pursuant to Resolution No. R-570-01, approved May 22, 2001, the Board previously designated the Miami-Dade Empowerment Trust (MDET) as the Master Developer for the Poinciana Industrial Center with the authority to initiate, negotiate and finalize proposed terms for the sale, lease, or other uses of the land in the Poinciana Industrial Center. Accordingly on May 4, 2005, the MDET entered into a 75-year lease agreement with Poinciana Partners LLLP (Poinciana Partners) for the use and development of the property, which is presently referred to as Poinciana Biopharmaceutical Park.

The Poinciana Partners is a Florida limited liability limited partnership formed for the purpose of developing the Poinciana Biopharmaceutical Park located in a designated Empowerment Zone in Liberty City (Exhibit A, A-1, A-2). Its General Partner is Poinciana Park, LLC and its Limited partners are the MDET and Poinciana Park, LLC.

The Poinciana Partners' proposed comprehensive development project is a planned industrial, commercial and residential community located within a designated Empowerment Zone in the Liberty City area of Miami-Dade County. The project will be developed in a minimum of three (3) phases. (It should be noted that at this time the developer does not control all the property required for the buildout of all three phases [see ATTACHMENT B] thus the County must rely solely on the completion of Phase I to satisfy the conditions of the Agreement.) The initial phase consists of approximately 818,350 square feet of office, residential and retail space, including a parking garage. Specific uses in Phase I proposed within the Park are Office Building 6A containing a Jackson Memorial Hospital outpatient clinic and Center of Excellence which will provide medical treatment to residents in the area, a Miami campus facility of the Pharmacy School of Florida A&M University, and an office for MediVector, a pharmaceutical company consulting firm; Office Building 6B includes the Massachusetts Institute of Technology's Imaging Center, the Alliance for the Management of Substance Abuse, Wyeth Pharmaceuticals and a training center run by Miami-Dade College to train Park employees to work in the clinical and administrative functions of the research being performed. The garage is scheduled for

and Members, Board of County Commissioners

Page 3

completion in January 2008, Building 6A in March 2008 and Building 6B in May 2008. A 59-unit apartment complex to serve as a housing component for employees and community residents is scheduled to be completed in March 2008. It is projected that during the first year of operations these facilities will create over 600 permanent jobs and by the third year over 2,300 jobs. Phase I construction cost is estimated to be in excess of \$109 million. The project is referred to as the Poinciana Biopharmaceutical Park.

The parties will enter into the Agreement in the form attached to the Resolution with such changes approved by the County Manager following approval by the County Attorney's Office. The Agreement provides for the typical remedies upon default (including time to cure, right to seek specific performance, pursuit of any other remedy at law or in equity) but does limit the County's right to terminate the Agreement in the event of a default to Poinciana Partners' failure to complete the garage within 24 months of the Effective Date of the Agreement and /or provision of the leases, operating agreements or letters of intent for the two office buildings within 90 days of the Effective Date of this Agreement.

The parking garage is critical and integral to the development of Poinciana Biopharmaceutical Park for compliance with permitting regulations requiring over 1,583 parking spaces for the proposed development. The garage will be used to provide public parking for the public visiting the Park's facilities and Park tenants that will occupy the Park's facilities. As an inducement for attracting businesses to the Park and stimulating economic development in this area, it is anticipated that the parking fees charged to the users will be below market rates and will be the same for each type of user i.e. daily, weekly, monthly etc. It is reasonable to expect that some of the beneficial economic impacts will accrue to the local residents and further the economic revitalization of the Liberty City area.

County staff has determined by a recent in-house analysis that the general cost (including all hard and soft costs) of constructing comparable, multi-level, pre-cast concrete parking structures is estimated to be approximately \$16,000 per space. Therefore, a 1,583 space parking garage would be estimated to be \$25.328 million, which is above the purchase price for this project.

It is recommended that the County acquire the garage pursuant to the following terms:

1. The garage will be acquired from the developer and a closing scheduled to occur following the issuance of a Certificate of Occupancy (CO) for the garage, the receipt by the County of 75% of the executed leases/operating agreements for Buildings 6A and 100% of the executed leases/operating agreements or letters of intent for Building 6B with the entities named above and the receipt, in form and substance satisfactory to the County, of a personal guarantee of completion for Buildings 6A and 6B from Dennis Stackhouse, Managing Member of Poinciana Park, LLC. The exact date of the Closing shall be at the option of the County, but shall be no later than twenty-four (24) months from the Effective Date of the Agreement.
2. At closing of the garage purchase, \$1.5 million will be placed in escrow as assurance that Building 6A and 6B will be completed as anticipated.
3. The garage will be owned and operated by the County;
4. The garage will be constructed for a public purpose to provide parking for the public and the Poinciana Biopharmaceutical Park's tenants;
5. The existing ground lease between MDET and Poinciana Partners will be amended to remove the land under the garage from the Lease and MDET will convey this parcel back to the County, at the nominal cost of \$10 dollars. As a result, the County will own and have beneficial control of the land and parking garage;

and Members, Board of County Commissioners

6. The Developer must repay in full, based on the terms of its agreement with MDET, the \$3 million loan MDET has given to the Developer for its five percent interest in Poinciana Partners LLLP from the proceeds of the construction loan with Citibank.
7. The developer must provide, in perpetuity, any easements and appurtenances appropriate to the county's access to and maintenance of the garage.

### **FUNDING SOURCE**

The Building Better Communities General Obligation Bond Program (GOP Program) included the funding of economic development such as public infrastructure through an economic development fund (GOB Economic Development Fund). The GOB Economic Development Fund, when funded with GOB bond proceeds, includes up to \$75 million for countywide projects and \$15 million for Targeted Urban Areas for the purpose of providing public infrastructure improvements to spur economic development and attract new businesses to the community.

The garage qualifies as public infrastructure and is eligible for funding from the GOB Program, provided it serves a public purpose. In order to serve a public purpose, it is essential that it be owned by the County as a public garage and that there be a reasonable expectation that the garage will be utilized by the public. This reasonable expectation will be achieved by the construction and occupancy of office Buildings 6A and 6B for healthcare research and other public purposes, including leases with public entities such as Jackson Memorial Hospital and FAMU. Since the garage qualifies as public infrastructure, I am recommending that the Board approve the use of GOB Economic Fund proceeds to finance the garage in support of the Poinciana Biopharmaceutical Park. A preliminary report was made to the Citizens Committee for the General Obligation Bonds in November 2006. Staff will make a complete report based on this recommendation of the proposed use of these funds at their meeting on January 24, 2007.

In July 2005, the Miami-Dade County, Florida General Obligation Bonds (Building Better Communities Program Series 2005 Bonds) were issued in the amount of \$263 million to fund numerous projects as listed in the eight questions approved by the voters. These Series 2005 Bonds provided funding of \$782,000 for EDF projects. Inasmuch as additional funding is required for the construction of the Poinciana Park parking garage and the project falls within the \$75 million approved by the voters for the EDF, it is recommended that the total amount of \$23,542,114 be approved to be funded from the Series 2005 Bonds. In the event the funds for the purchase of the garage are disbursed after the arbitrage deadline for the Series 2005 bonds of July 2008, subsequent bond sale proceeds may be used. It should be noted that for arbitrage purposes, we have committed to spend the bond proceeds within three years of bond issuance. As such, any bond program expenditure that is ready for funding and has been approved by the voters and the Board is acceptable to be charged to the Series 2005 Bonds. As the next series of bonds is planned, staff will recommend funding for those projects that were initially earmarked to be funded in the first series but do not yet require cash flow. I want to assure the Board that we are not recommending to de-fund any projects, but are in fact spending bond proceeds as quickly as possible for projects that the Board has approved.

### **PURCHASE PRICE**

The construction cost of the garage is estimated to be \$21,848,830. In the event the construction costs of the garage are more than projected, the developer is responsible for the additional cost. It is anticipated that the garage will take up to twelve months to complete and, in the case of Building 6A, up to 30 months and, in the case of Building 6B up to 36 months. The order of construction for Phase I is to immediately commence building the garage and to begin the construction of Buildings 6A and 6B

and Members, Board of County Commissioners

shortly thereafter. In order to fund this project, the developer may need to extend his construction loan for up to twelve months beyond the scheduled completion date of the garage, depending on when the County becomes obligated to purchase it. As a result, the final purchase price of the garage may include an additional amount which is equal to the interest cost on the developer's construction loan. The final purchase price, however, will not exceed \$23,542,114 which represents the purchase price of \$21,848,830 and interest on that amount (\$1,693,284) calculated at an assumed interest rate of seven and three quarter percent (7.75%) per annum over twenty-four months. The purchase price, however, will be reduced to reflect the actual interest cost which will be less if the actual interest rate is less than seven and three quarter percent (7.75%) or the County purchases the garage sooner than twenty-four months as anticipated and/or if the actual cost to mitigate the Contaminated Soils is less than the estimate contained in the project's budget.

## CONCLUSION

The Poinciana Industrial Center project is a centerpiece of Miami-Dade County's commitment to allocate the economic development element of the Building Better Communities / General Obligation Bond funds to targeted projects that have the greatest potential for quickly producing jobs that provide our citizens not only with economic betterment, but most importantly, skills that create careers in high demand, technical jobs. While this goal is paramount, we must also ensure that projects of this nature are based upon good business sense and with guarantees that the investment of public funds, not to exceed \$23,542,114 will be met with significantly greater investment of private capital, in this case estimated to be \$109,000,000. This melds public investment with entrepreneurial spirit while allowing the County to raise capital and efficiently complete infrastructure. This project delivers that partnership and its completion is personally guaranteed by a developer with the means to complete it. Notably, this transaction is based on the delivery of public funds after the garage is complete and operational leases for the office space have been delivered. There is also a schedule and monthly reporting requirement that ensures constant monitoring. It is my intention to appoint a senior staff person who will have "ownership" and responsibility for the timely completion of the project and delivery of its economic development expectations. This person will be held accountable for the delivery of these goals.

Finally, any expenditure of bond proceeds from the GOB Economic Fund will be in accordance with the GOB Administrative Rules, subject to County audit and review by the County's Office of Inspector General. It is therefore recommended that the County Manager be authorized to temporarily reallocate existing Series 2005 Bonds funds from within any bond question in sufficient amounts for the purchase of the Poinciana Park parking garage. These proposed, temporary reallocations will be suggested during the Infrastructure and Land Use Committee and Community Empowerment and Economic Revitalization Committee meetings of January 16, 2007.

#### **TERMS:**

1. **INCORPORATION OF RECITALS.** The foregoing Recitals are true and correct, and are hereby incorporated herein by reference.

2. **DEFINITIONS.**

A. The term "**Garage**" shall mean a proposed commercial parking garage structure of approximately 476,205 square feet of Gross Built Area containing a minimum of 1,583 parking spaces, constructed of concrete, and to be located on the land currently leased by MDET to Poinciana Partners, in Liberty City, which land is more particularly described below.

B. The term "**Land**" shall mean the premises, upon which the Garage is located, being more particularly described in "Exhibit E", attached hereto and by this reference incorporated herein, along with any and all easements and appurtenance appropriate to the Garage and the Land, including any easements, covenants, improvements and appurtenances thereto providing suitable access and allowing for the proper maintenance of the Garage

C. The term "**Property**" shall mean the Garage, the Land including any easements, covenants, improvements and appurtenances thereto providing suitable access and allowing for the proper maintenance of the Garage.

C. County's Acceptance Agreement. Within thirty (30) days after the County is notified by PBP No. 5 that the Garage is complete by delivery to the County of the Certificate of Occupancy, but no later than the Garage Delivery Date, the County shall execute and deliver to PBP No. 5 an Acceptance Agreement substantially in the form attached hereto as "Exhibit G". The County shall state in such Acceptance Agreement any reasonable objections or defects in the Garage remaining to be repaired or completed by PBP No. 5, and County thereby shall preserve its objection to such listed defects. PBP No. 5 shall be obligated to fully address any objections, and perform any and all repairs or complete any uncompleted work prior to the Closing and/or the County otherwise taking possession of the Garage. If by the Closing Date PBP No. 5 has not completed the repairs or any and all of the reasonable objections and/or defects listed or identified in the Acceptance Agreement it shall be considered an event of default under this Agreement. Upon such event of default, the County may, at its sole discretion, terminate this Agreement, and the County shall have no further obligation to any party under this agreement. The County may also, at its sole discretion, elect to provide PBP No. 5 with an additional period of time to complete any repairs or otherwise properly address any objections or defects identified in the Acceptance Agreement, without limiting or waiving its right to terminate this Agreement. Should the County, at its sole discretion, elect to waive its right to terminate this Agreement, such waiver of termination, if given, shall be evidenced by a written instrument signed by the County Manager. The County shall have waived any objection or identification of any defects not so listed in the Acceptance Agreement except that County shall retain the right to object to latent defects not subject to detection upon reasonable inspection of the Garage prior to occupancy thereof, provided that objections to latent defects not disclosed in writing to PBP No. 5 within one (1) year subsequent to the Garage Delivery Date, or any subsequent date due to later repairs or completion, shall be deemed waived.

D. Developers' Obligations to Deliver Documents Within 90 Days. In addition to any other obligations the Developer may have with regard to this Agreement, the Developer hereby agrees to provide to the County, within ninety (90) days from the Effective Date of this Agreement the following documents:

For Building 6A, which shall consist of no less than 70,000 square feet, the Developer shall deliver copies of fully executed leases and/or operating agreements for 75% of the building's space. Such leases and/or operating agreements shall be with the following three (3) tenants listed immediately below:

- i. Jackson Memorial Hospital
- ii. Florida A&M University
- iii. MediVector, Inc.

For Building 6B, which shall consist of no less than 175,000 square feet, the Developer shall deliver copies of fully executed leases, operating agreements or letters of intent for all of the building space. Such leases, operating agreements or letters of intent shall be with the following three (3) tenants listed immediately below:

- i. Massachusetts Institute of Technology
- ii. Wyeth Pharmaceuticals
- iii. Miami-Dade College
- iv. The Alliance for the Management of Substance Abuse

Should the Developer fail, in any respect, to provide the County with the foregoing documents within ninety (90) days of the Effective Date of this Agreement, then it shall be considered an event of default, and this Agreement shall immediately terminate, and the County shall have no further obligation to any party under this agreement. The County, at its sole discretion, may elect to provide PBP No. 5 with additional time to deliver to the County the documents needed for PBP No. 5 to fulfill its responsibility under this Agreement, without limiting or waving the County's right to terminate this Agreement. Should the County, at its sole discretion, elect to waive its right to terminate this Agreement, such waiver of termination, if given, shall be evidenced by a written instrument signed by the County Manager.

The parties further agree that should one of the above-mentioned tenants decide, subsequent to the execution of this Agreement, not to enter into a lease, operating agreement and/or letter of intent for space in either Building 6A or Building 6B, then PBP No. 6 may be permitted to substitute a like type tenant in the building, so long as such substitute tenant will employ the same or greater number of employees, and such substitute tenant will perform the same or similar business, trade, or research function as the tenant that elected not to enter into the lease, operating agreement and/or letter of intent for the space in either Building 6A or Building 6B.

E, The County's Obligation to Purchase the Garage and Land. The County has agreed to enter into this Agreement to acquire the Garage and Land within twenty-four (24) months of the Effective Date of this Agreement. The parties acknowledge, understand and agree that absent the County's receipt of all of the necessary documents which are to be supplied by PBP No. 6, PBP No. 5, Poinciana Partners, MDET, and/or the Developer collectively, and/or Dennis C. Stackhouse, in addition to the timely compliance by PBP No. 5 and/or the Developer with all of the terms and conditions under this Agreement, the County shall have no obligation, whatsoever, to purchase the Garage and/or the Land.

F. Poinciana Partners and PBP No. 5 Waiver of Rights under the Lease and Sublease. Both Poinciana Partners and PBP No. 5 hereby understand and agree that so long as the County is not in default under the terms of this Agreement,

neither Poinciana Partners nor PBP No. 5 shall be permitted to exercise any right under the Lease and/or Sublease to purchase either the Land and/or Garage.

G. Personal Guaranty by Dennis C. Stackhouse. Dennis C. Stackhouse, an individual, has agreed to provide a personal guaranty to the County for assurance of the completion of Building 6A and Building 6B (hereinafter "Personal Guaranty"). The Personal Guaranty shall be an assurance in addition to any amount of money held in Escrow (as herein later defined), under this Agreement. The Personal Guaranty from Dennis C. Stackhouse for the timely construction of Building 6A and Building 6B is attached hereto, marked "Exhibit I", and is incorporated herein by reference.

**4. PURCHASE PRICE.** In consideration of the construction of the Garage and for the amendments to the Lease and the Sublease, the parties hereto have agreed to the following purchase price and manner of payment:

**A.** The cost of the garage is estimated to be \$21,848,830. In the event the garage costs more than projected, the developer is responsible for the additional cost. In order to fund this project, the developer may need to extend his construction loan for up to twelve months beyond the scheduled completion date of the garage, depending on when the County becomes obligated to purchase it. As a result, the final purchase price of the garage may include an additional amount which is equal to the interest cost on the developer's construction loan up to a certain amount of the interest expense, which is identified herein below. The final purchase price will not, under any circumstance, exceed \$23,542,114, which amount represents the purchase price of \$21,848,830, together with the maximum amount of interest that the County will pay on that amount, \$1,693,284, which is hereby agreed to be calculated at a maximum interest rate of seven and three quarter percent (7.75%) per annum over twenty-four (24) months. The purchase price, however, will be reduced to reflect the actual interest cost which will be less if the actual interest rate is less than seven and three quarter percent (7.75%), and/or, if the County purchases the Garage sooner than the expiration of the twenty-fourth (24th) month from the Effective Date of this Agreement as anticipated and/or if the actual cost to mitigate any contaminated soils is less than the estimated amount of \$1,800,000.00 as contained in the Poinciana Development Garage Budget, which is attached hereto, marked "Exhibit H" and incorporated herein by reference, then the purchase price shall be reduced accordingly.

**B.** With specific regard to the preceding paragraph, 4.A., PBP No. 5 hereby agrees to use its best efforts to construct the Garage with the goal of reducing the amount of the interest expense and the cost to mitigate any contaminated soils as much as possible. In addition, PBP No. 6 hereby agrees to use its best efforts to build Building 6A and Building 6B as expeditiously as possible in order to provide for the expected use for the Garage as quickly as possible (the County acknowledging in Paragraph 37 of this Agreement and that the Personal Guaranty, which is an exhibit to this Agreement, is being executed simultaneously with this Agreement

C. PBP No. 5 hereby warrants that the POINCIANA GARAGE DEVELOPMENT BUDGET includes only items directly pertaining to the development of the Garage and those items properly attributed to the land and other buildings comprising Phase I of the Park, as defined in the POINCIANA GARAGE DEVELOPMENT BUDGET, attached hereto as Exhibit H. If it is later determined, or found by an audit performed by the Audit and Management Services Department (AMS) for the County, or by any other entity as directed by the County, that the POINCIANA GARAGE DEVELOPMENT BUDGET includes items or matters that are not directly attributable to the construction of the Garage or the other elements of Phase I of the Park, it shall be an event of default under this Agreement subject to notice provisions of Paragraph 19, and with a right to cure within two (2) business days only, and further to other remedies available to the County. PBP No. 5 shall immediately reimburse the County for any and all sums determined to be owing to the County as a result of the audit.

In the event that Buildings 6A and 6B are completed in accordance with this Agreement, the disbursement of the Escrow funds shall occur as follows: PBP No. 6 shall receive Five Hundred Thousand (\$500,000.00) Dollars upon the issuance of the certificate of completion for Building 6A, which must be completed within thirty (30) months from the Effective Date of this Agreement, and PBP No. 6 shall receive the

b. PBP No. 6 shall deliver to the County on or before the thirty-sixth (36<sup>th</sup>) month from the Effective Date of this Agreement copies of the executed construction contracts for the specific tenant improvement work, and

The parties hereby agree that should the construction of Building 6A and/or Building 6B not proceed as outlined above, and/or that copies of executed construction contracts for specific tenant improvement work not be delivered to the County on or before the dates specified in this Agreement, it shall be considered an event of default under this Agreement, and the County may forever keep or retain any sum held in Escrow at Closing, in addition to seeking any other remedy it may have against Poinciana Partners, PBP No. 6 and/or Dennis C. Stackhouse. The County, at its sole discretion, may permit PBP No. 6, the Developer and/or Dennis C. Stackhouse to complete such necessary construction work within thirty (30) days of the dates specified, and/or provide the County with the necessary executed construction contracts for tenant improvement work within thirty (30) days, with the understanding that the County will release or return to PBP No. 5 the amount in Escrow.

**6. TIME EXTENSIONS:** To the extent that changes are made to the Phase I plans or scope of work subsequent to the execution of this Agreement, then within thirty (30) days of any changes, written approval and acceptance must be obtained from the County in order to delay the twenty-four (24) month completion date for the construction of the garage; the thirty (30) month completion date for the construction of Building 6A; and/or the thirty-six (36) month completion date for the construction of

Building 6B, which approval and acceptance is and shall remain in the County's sole and absolute discretion. Failure to secure the County's written approval and acceptance of any changes which could delay the completion date of the construction work for Phase I will result in PBP No. 5's or PBP No. 6's and or the Developer's, as the case may be, waiver to any claim that the respective construction periods should be extended in order to accommodate the changes to the plans or project. If the County's written acceptance and approval is secured within thirty (30) days of any changes, which approval clearly notes and acknowledges the delay in the completion period, then the respective time period(s) shall be extended by the agreed upon number of days required to complete such additional construction work or change.

**7. CLOSING DOCUMENTS.** To the extent PBP No. 5, PBP No. 6, Poinciana Partners, MDET and/or the County are parties to such documents, upon the Closing of the Garage, and as a necessary condition of the Closing, the following documentation, at minimum, shall be executed and delivered by the parties:

- A. Amendment of the Sublease executed by the Poinciana Partners and PBP No.5, amending the Sublease so that the Poinciana Partners has full rights as landlord over the Land, and can then relinquish its interest in the Land to MDET, so that the Land can be conveyed to the County; and
- B. Amendment to the Lease executed by MDET and Poinciana Partners, amending the Lease, so that the MDET has full rights as landlord, and owner of the Land, to convey it, in fee simple, to the County; and
- C. A General Warranty Deed conveying the Land free and clear of any liens or encumbrances from MDET to the County; and
- D. Such other documentation as reasonably required by the parties hereto to evidence the transfer of ownership in the Garage from PBP No. 5 and/or Poinciana Partners and/or MDET to the County, free and clear of any lien or other encumbrance; and
- E. A Bill of Sale for the Garage and its appurtenances to make it fully operational; and
- F. Current copies of all specified leases, operating agreements or letters of intent for the tenants in Building 6A and Building 6B, as described above (the copies of specified leases, operating agreements and/or letters of intent here relates to any leases, operating agreement or letters of intent previously provided to the County which have been updated, revised, modified, amended, or which have otherwise been changed or replaced in any manner whatsoever. PBP No. 6 hereby agrees to immediately provide the County with any updated, revised, modified, or amended agreement or document); and
- G. A Phase II Environmental Report for the Land.

H. A survey with a legal description of the Land including any easements, covenants, improvements and appurtenances thereto providing suitable access and allowing for the proper maintenance of the Garage prepared and sealed by a Florida registered Land Surveyor.

**8. CLOSING COSTS.** Each party shall bear the costs of the Closing, as appropriate, including without limitation, any attorneys' fees. Without limiting the foregoing, County, a political subdivision of the State of Florida, is exempt from payment of ad valorem taxes. PBP No. 5, PBP No. 6, Poinciana Partners and/or MDET shall be responsible for all documentary stamp taxes, transfer taxes, surtax and all similar taxes relating to any leases, transfers, and the construction and conveyance of the Garage and the Land.

**9. ZONING AND GOVERNMENTAL APPROVALS.** PBP No. 5 and PBP No. 6 and Poinciana Partners hereby warrant that the development, construction, intended use, occupancy and operation of the Garage shall be in conformance with all applicable laws, all necessary or existing government approvals, and all covenants, conditions and restrictions contained in any deed, lease or other instrument or agreement covering or affecting all or any portion of the Property. PBP No. 5, PBP No. 6 and Poinciana Partners also warrant that all government approvals (except to the extent the same are of a nature so as not to be obtainable until a later stage of construction or completion of the Garage) have been obtained and are valid and in full force and effect. PBP No. 5, PBP No. 6 and Poinciana Partners warrant that upon completion of the Garage all government approvals will be in place, valid and in full force and in effect. Further, PBP No. 5, PBP No. 6 and Poinciana Partners have no knowledge of any zoning or other restrictions, rules or regulations that will prevent the utilization of the Garage for the purpose of it being used as a 1,583 vehicle commercial parking structure.

**10A. COUNTY COOPERATION TO OBTAIN AND MAINTAIN ALL REQUIRED LAND USE AND BUILDING APPROVALS** The Parties agree that this transaction has been entered into for the successful development of the Park of which the Garage is an integral facility. Accordingly the County agrees that upon acceptance of the Property, and subject to the paragraph that follows, it will cooperate, strictly in its capacity as owner and operator of the Garage, and to maintain land use approvals for the Park that rely on the Property. These land use approvals include but are not limited to the following: (i) an existing Unity of Title encompassing the Land, (ii) County site plan approvals that include the Property, and (iii) proposed covenants calling for use of the Garage by future Park residents (which do not include any rental fee, presumed rental fee or waiver of any rental fee for the use of the Garage) as contemplated in Phase I and Phase II.

**10B. COUNTY'S RIGHTS AS SOVEREIGN.** Notwithstanding its obligation to cooperate as an owner of the Garage, the County retains all of its sovereign prerogatives and rights as a county under Florida laws and shall in no way be estopped from withholding or refusing to issue any approvals of applications for building, design, construction and development of the Garage and the Park or the operation thereof, or be liable for the same: and

The County shall not by virtue of this Agreement be obligated to grant the Developer any approvals of applications for building, zoning, planning or development under present or future laws and ordinances of whatever nature applicable to the planning, design, construction, development and/or operation of the Garage and the Site.

**11. INSPECTIONS.** County shall be permitted to inspect the Property at any time, without notice, prior to the Closing Date. The County shall be permitted to conduct its own studies, tests, inspection, investigation, evaluation, surveys and/or examination of the Property, at its costs, as it deems necessary with prior written notice to PBP and provided such studies, tests, inspection, investigation, evaluation, surveys and/or examination of the Property do not unreasonably interfere with the construction of the garage. However, such inspection of the Property shall not be assumed to include any testing of the soil, groundwater or surface water, as Poinciana Partners and PBP hereby warrant to the County that the Property, shall, upon the Closing Date, be free from any type of Hazardous Materials, to the greatest extent that the Lease and the Sublease shall permit (hereinafter "Hazardous Materials" shall mean any substance in the soil, air and/or water that is found to be harmful or unsafe, which include, but are not limited to pollutants, contaminants, toxic substances, pathogens, radioactive materials, and/or wastes, whether solid, liquid or gaseous, or any other substance which becomes defined as a hazardous waste, hazardous substance, pollutant or contaminant under any Environmental Law), and that the construction of the Garage in no way negatively impacted or contributed to damaging the Land, groundwater, surface water or the air. Notwithstanding the foregoing, the County, when acting in its regulatory or police function, shall be authorized to perform any inspections or investigations needed to preserve public safety or welfare.

**12. ENVIRONMENTAL CONDITIONS.** The County hereby acknowledges, recognizes and hereby incorporates the language in the Lease and Sublease agreements with regard to the various parties' responsibilities as it relates to any pre-existing Environmental Conditions on or about the Land. Notwithstanding the foregoing, PBP No. 5 understands and agrees to convey the Garage to the County free from any Hazardous Materials and free from any Environmental Conditions that may cause the County to be responsible for any type of Environmental Claim in the future, due to any chemical, toxin, poison, or pollution caused by, or due to, its construction of the Garage. In addition to any other type of warranty or indemnification found in this Agreement, PBP No. 5 hereby warrants, indemnifies and agrees to defend the County from and against any and all future claims from any Environmental Conditions (as herein later defined), Environmental Claims (as herein later defined) or Environmental Damages (as herein later defined) as a direct result of an intentional act or omission to act on its part due to it releasing, discharging, spilling, leaking, pumping, emitting, pouring, emptying, or dumping of any substance that might give rise to an Environmental Condition (as herein later defined), Environmental Claim (as herein later defined) or Environmental Damages (as herein later defined). In addition, at least sixty (60) days prior to Closing, PBP No. 5 will deliver a Phase II Environmental Report, conducted within the previous ninety (90) days by a certified, licensed, environmental engineer, confirming that there are no environmental issues with the Property, that were caused by or due to the construction of the Garage. An

This clause shall survive the termination or expiration of this Agreement.

"Environmental Conditions" shall mean any conditions of the environment including, without limitation, the work place, natural resources (including flora or fauna), soil, surface water, ground water, any actual or potential drinking water supply sources, substrata or the ambient air, relating to or arising out of, or caused by the use, handling, storage, cleanup, treatment, recycling, generation, transportation, release, spilling, leaking, pumping, emptying, discharging, injecting, escaping, leaching, disposal, dumping, threatened release or other management or mismanagement of regulated substances, including but not limited to Hazardous Materials, resulting from the construction of the Garage, or the use of, or operation on, the Property.

"Environmental Damages" shall mean any and all claims, judgments, damages, losses, penalties, fines, liabilities, liens, costs, and expenses of investigation and/or defense of any claim, whether or not such claim is ultimately defeated, of whatever kind or nature, including without limitation any and all attorneys' fees and disbursements and contractors' and consultants' fees and disbursements, any of which are incurred at any time as a result of the actual or alleged presence of Hazardous Materials, or the actual or alleged violation of an Environmental Law, including, without limitation, claims and demands by any person for damages for personal injury, property damage, environmental investigation costs, environmental cleanup costs, response costs under any federal or state hazardous sites cleanup law, or any other cost or damage attributable to Hazardous Materials or the violation of or liability under Environmental Laws. Without limiting the generality of the foregoing, Environmental Damages shall also include any diminution in the market value of the Garage, the Land and/or the Property caused by the actual or alleged presence of Hazardous Materials.

"Environmental Law(s)" shall mean all present and future governmental rules and regulations pertaining to the protection of the environment, including, without limitation, those pertaining to reporting, licensing, permitting, investigating, remediation, handling, manufacturing, treating, storing, generating, disposing, transporting, or releasing chemical substances, pollutants, contaminants, hazardous substances, toxic substances, pathogens, radioactive materials, or wastes, whether solid, liquid or gaseous. Without limiting the generality of the foregoing, Environmental Laws shall specifically include all federal and state laws, ordinances, rules and regulations.

**13. SUBORDINATION.** PBP No. 5 and PBP No. 6, Poinciana Partners and MDET understand and agree that any financing that is obtained for the construction of the Garage, or any other building or structure within the Park, or for any other endeavor

related to the Park, must be subordinate to MDET's interest in the Park, provided the mortgagee is given commercially reasonable notice and opportunity to cure any default.

**14. DEFAULT.** The occurrence of any of the following by PBP No. 5 or PBP No. 6 or Poinciana Partners, LLC shall constitute an event of default ("Default") hereunder:

- A. Failure to timely complete and deliver the Garage and the Land to the County on or before twenty-fourth (24th) month from the Effective Date of this Agreement, the Garage Delivery Date, shall be considered an event of default, subject to Force Majeure, and neither PBP No. 5 nor Poinciana Partners shall have any right to cure such default.
- B. It shall be an event of default under this Agreement if PBP No. 5 and/or Poinciana Partners ceases to exist, operate or is dissolved.
- C. It shall be an event of default if PBP No. 5 and/or Poinciana Partners files for bankruptcy, is involuntarily brought into a bankruptcy proceeding, or is otherwise involved in a bankruptcy proceeding, and PBP No. 5 does not timely move forward with the completion of the Garage
- D. It shall be an event of default if Poinciana Partners and or PBP No. 6 does not timely move forward with the completion of Building 6A and Building 6B, as provided in this Agreement, except that it shall not effect the County's obligation to purchase the Garage and Land from PBP No. 5. This default provision shall survive the expiration of this Agreement.
- E. It shall be an event of default if PBP No. 5 fails to correct any defects in the Garage or properly address any of the County's objections in the Acceptance Agreement within the time delays specified in this Agreement.
- F. If a COC is not issued within thirty (30) months of the Effective Date of this Agreement for the construction of Building 6A and within thirty-six (36) months of the Effective Date for the construction of Building 6B (as identified by Poinciana Partners as being part of its Phase I), then PBP No. 6 and Poinciana Partners shall be considered in default of this Agreement, except that it shall not effect the County's obligation to purchase the Garage and Land from PBP No. 5. This default provision shall survive the expiration of this Agreement.
- G. An event of default under this Agreement shall be considered an event of default under the Lease and under the Sublease, the County or MDET shall have the right to buy-out the Leasehold and Fee Mortgage, Assignment of Rents, Security Agreement and Fixture Filing, which was entered into on or about December 29, 2005, by and between Poinciana Partners, LLLP, Miami-Dade Land Holdings, LLC and Poinciana Funding, LLC, for the unamortized portion of the loan, or any portion thereof, in order to secure from PBP No. 5, PBP No. 6 and/or Poinciana Partners the land needed for Phase I as described

- H. The parties agree, notwithstanding anything else in this Agreement, that should the construction of the Garage not be completed within twenty-four (24) months, and the Garage and the Land made available to the County within twenty-four (24) months from the Effective Date of this Agreement, subject to Force Majeure, this Agreement shall terminate and the County shall have no further obligation to any party under this Agreement.
- I. Further, if any other of PBP No. 5 and PBP No. 6, Poinciana Partners', MDET's or the County's obligations under this Agreement are not timely met or fulfilled, or any party has failed to perform under the terms of this Agreement, and provided that the non-defaulting party claiming the other party is in default has given written notice to the defaulting party within ten (10) days of said default, then the non-defaulting party may, in addition to other remedies contained herein, elect to (i) bring an action for damages for any loss or injury suffered by a party, or injunctive relief if in such event the party is irreparably harmed for which there is no adequate remedy at law or (ii) elect to seek specific performance of the other party's obligations, as the case may be, under this Agreement and, (iii) in addition to any remedy mentioned in this Agreement, the non-defaulting party may pursue any other remedy at law or in equity that it may be entitled to seek.
- I. Should either party bring an action against the other for a party's non-performance of a required term, condition or covenant under this Agreement, for failure to perform (which includes failure to timely perform) its duties or obligations, the prevailing party shall be entitled to receive all reasonable costs and expenses of such action, including but not limited to reasonable attorneys' fees, expert witness fees, and court costs, through all appellate proceedings. Further, wherever provision is made in this Agreement for "attorneys' fees," such term shall be deemed to include attorneys', accountants' and other consultants' or professional fees, whether or not litigation is commenced, including such costs through appellate and post judgment proceedings and for paralegals and similar persons.
- J. Should PBP No. 6 fail to timely and properly construct Building 6A and Building 6B, Dennis C. Stackhouse, based upon his Personal Guaranty, which is attached hereto and incorporated herein by reference, along with PBP No. 6 shall be in default of this Agreement. The parties hereby agree that should Building 6A and Building 6B not be completed on time, Dennis C. Stackhouse shall be personally responsible and obligated to the County for the full cost to complete Building 6A and Building 6B in a timely manner, including, but not limited to any cost or expense to locate, hire and retain a

contractor. This default provision shall survive the expiration of this Agreement.

**15. CURE OF DEFAULT.** If PBP No. 5 or PBP No. 6 or Poinciana Partners, LLLP breaches or fails to comply with any of the terms, provisions, conditions or covenants of this Agreement, and such breach or failure shall continue for more than thirty (30) days subsequent to the date of receipt by the defaulting party of written notice of such breach or failure from the County, and if the matter in question is not reasonably susceptible of cure by Tenant within the 30-day period, then the defaulting party shall have such additional time as may reasonably be necessary, but not more than thirty (30) days, within which to effect curative action provided that defaulting party institutes the curative action within the 30-day period and prosecutes the same diligently to completion.

**16. INDEMNIFICATION.** To the extent authorized by Florida law, each of the Developer's respective entities hereby agrees to indemnify, defend and hold harmless the County from all claims, demands, liabilities and suits of any nature whatsoever arising out of, because of or due to the breach of this Agreement by the respective Developer entity, its agents or employees. It is specifically understood and agreed that this indemnification clause does not cover or indemnify the County for its sole negligence or breach of contract.

Each Developer entity hereby understands and agrees that the scope of the indemnity shall include, but not be limited to, (i) the burden and expense of defending all claims, suits and administrative proceedings from the outset, with counsel approved by the County, even if such claims, suits or proceedings are groundless, false or fraudulent, and (ii) cooperating with the County with regard to all negotiations, and (iii) paying and discharging, when and as they become due, any and all claims, judgments, damages, losses, penalties, fines, liabilities, liens, costs, expenses, fees or other sums or obligations incurred by or against the County.

**17. LIEN WAIVER.** PBP No. 5, Poinciana Partners and MDET agree to convey the Garage and the Land to the County free from any type of lien, encumbrance, or pending lawsuit. PBP No. 5 hereby agrees to deliver at Closing a statement or letter from any and all potential lienholders, including but not limited to any materialmen, laborers, vendors, contractors and subcontracts, establishing that all work and material have been properly paid and that there is no amount due or outstanding as a result of the construction of the Garage.

**18. INSURANCE.** PBP No. 5 understands and accepts that it shall bear the risk of loss for the Garage up to the time of Closing. Should the Garage be destroyed or damaged by fire or other casualty, PBP No. 5 hereby agrees to immediately notify the County of such destruction or damage, and the County shall then have the option, in its sole discretion, to continue with this Agreement with an appropriate adjustment in purchase price or with an assignment of insurance proceeds, or with PBP No. 5, after notice to it and its mortgagee, being given a reasonable time to repair the Building. PBP No. 5 understands and agrees that it shall have sole responsibility to insure the Garage, the Land and/or the Property up

to the time of Closing, at its sole cost and expense. PBP No. 5 understands and agrees that to help ensure proper compliance with any and all Building Codes and to avoid the filing of any liens against the property, that its contractors or licensees are properly and adequately insured in accordance with the requirements of Miami-Dade County, Florida.

37. **OBLIGATIONS RELATING TO BUILDING 6A AND 6B.** The parties agree that progress towards the completion of Building 6A and 6B, as describe and required in Paragraph 3D above, does not affect the County's obligation to purchase the Garage and the Land.

38. **BIFURCATION OF LEASE.** The parties agree that Poinciana Partners may, at any time prior to the Closing Date, divide the Lease into two (2) or more separate leasehold interests. At the time of any such bifurcation of the Lease, only the leasehold entity with an interest in the Land will be obligated and responsible for adhering to such duties and obligations found under this Agreement as it relates to the construction of the Garage and the conveyance of the Garage and the Land to the County.

39. **POINCIANA PARTNERS.** At time of any bifurcation of the Lease, dividing the Lease into more than one (1) leasehold interests, Poinciana Partners shall have no further interest in the Land or the Garage. Any representations and warranties, if any, by Poinciana Partners with relation to the Land shall apply as to matters occurring prior to such bifurcation only. Nothing, however, in this provision shall be deemed to release Poinciana Partners from its obligations under the Lease, and Poinciana Partners agrees that it shall continue to cooperate in the parties' mutual execution of documents, such as covenants and cross-easements, for the effective development and operation of the Park.

#### 40. **ESTOPPEL CERTIFICATES**

Developer and County agree that, at any time and from time to time, upon not less than thirty (30) days prior written notice by such party, to execute, acknowledge, and deliver to the other a statement in writing:

(a) certifying that this Agreement has been unmodified since its execution and is in full force and effect (or if Agreement has been modified since its execution, that it is in full force and effect, as modified, and stating the modifications);

(b) stating whether or not to the knowledge of Developer or County, as the case may be, there are then existing any defaults under this Agreement (and, if so, specifying the same);

(c) stating the address to which notices to Developer or County, as the case may be, should be sent. Any such statement delivered pursuant thereto shall provide that such statement may be relied upon by Developer or County or any prospective purchaser or mortgagee or lessee or assignee of the Property, or any part thereof or estate therein.

However, the County specifically states here that the estoppel letter(s) shall not be construed by anyone to be a certification as to PBP No. 5's progress on the construction of the Garage, and such estoppel letters shall not be used against the County should PBP No. 5 fail to timely perform under this Agreement.

**IN WITNESS WHEREOF**, the parties hereto have caused this Agreement to be executed by their respective authorized representatives as of the date first

hereinabove written, and they intend to be legally bound hereby to all of the terms and conditions of this Agreement.

RE: New Center Visit Volume

Dear Mr. Stackhouse:

This provides you with an update on the projected volumes of the client visits for the new center. The new location chosen will accommodate the clients currently attending two existing operating centers – Liberty City Health Center and Juanita Mann Health Center. The centers house programs from both the Miami-Dade County Health Department (DOH) and Jackson Health Systems (JHS). In evaluating the present services provided and projecting increase volumes of additional services, the following grid provides a breakdown by departments.

SERVICE DEPARTMENT	DAILY VISITS	FTEs	YEARLY VISITS
Jackson Medical Center - JHS	350	65	87,500
DOH Family Planning	30	12	7,500
DOH Special Immunology	40	10	10,000
DOH WIC	200	8	54,000
<b>TOTAL</b>	<b>650</b>	<b>95</b>	<b>159,000</b>

The opportunity to increase medical services in a state of the art facility to the population of Liberty City and Hialeah will be invaluable. This will provide space to add additional services for the community that would include Radiology, Dentistry and a Wellness Program.

Sincerely,

*Yvonne Edwards*

RE: Poinciana Biopharmaceutical Park

Dear Mr. Stackhouse:

As you know the College was awarded a U.S. Department of Labor, MDC has pledged to deliver industrial pharmaceutical manufacturing (IPM) training to both incumbent and future workers. MDC's *Biosciences Job Growth Initiative* (BJGI) plans to support both state and local economic development in the Biosciences by (1) increasing the capacity of education and training providers; (2) establishing a pipeline to access untapped labor pools; (3) developing specialized industry-specific skill sets that promote lifelong learning; (4) developing competency models within the context of integrated lifelong learning and career advancement; (5) training 800 incumbent and future IPM professionals; (6) increase retention of new and incumbent workers by 30% annually; (7) introducing good manufacturing-, good laboratory-, good clinical-, and good documentation practices into IPM curricula, pedagogy, and industry processes; and (8) delivering career guidance at all stages of lifelong learning. MDC has already made great strides toward achieving these goals. We have established a team of professionals that consist of industry experts as well as MDC faculty and staff. We are actively contacting local industries and performing on-site needs assessments to aid in development of industry-specific training modules. We are also recruiting students from the community to participate in our programs, which will serve to train future workers for employment within the IPM profession.

We expect that the new Poinciana Biopharmaceutical Park will allow for the College to train between 300-400 of these individuals. We will be offering a variety of courses for students to enroll in to prepare them for this job market. The College expects that the daily parking requirement for these students would be approximately 350.

This is an opportunity to increase medical and educational services in a state of the art facility to the population of Liberty City and Hialeah that will be invaluable. This will provide space to add additional academic course offering to the community.

Sincerely,

directed to submit a proposed spending plan for the use of these funds prior to expenditure.

Includes modified language designating \$15,000,000 for Neighborhood Networks grants similar to language proposed by the Senate. Language is also included allowing up to \$1,000,000 to be made available for technical assistance and to allow centers established under these grants to serve individuals receiving housing assistance under other programs funded in this Act. Language is included as proposed by the Senate, requiring such funds to be competitively awarded. The conferees remind HUD that these funds, and all other funds provided in this Act, are to be awarded on a competitive basis in accordance with the requirements set forth in section 205 under administrative provisions in this title, except where explicitly authorized. The House did not include similar language.

The conference agreement does not designate \$30,000,000 for demolition, relocation and site remediation for obsolete and distressed public housing units as proposed by the Senate. The House did not address this matter.

#### PUBLIC HOUSING OPERATING FUND

Appropriates \$2,458,000,000 for the public housing operating fund, instead of \$3,425,000,000 as proposed by the House and \$2,610,000,000 as proposed by the Senate.

Modified language is included, similar to language proposed by the Senate, to synchronize the funding cycles for all public housing authorities' operating subsidy payments to the same calendar year. The conferees believe that this conversion will simplify and improve administration and oversight of the program. This change results in a one-time savings to this account. The House did not include similar language.

Includes modified language designating \$8,000,000 for programs to assist in the investigation, prosecution and prevention of criminal activities in public housing to be administered through a cooperative agreement with the Department of Justice (DOJ) similar to language proposed by the House. The Senate did not propose a similar provision.

Includes language designating \$10,000,000 for a program to provide bonus funding for PHAs that assist families in moving away from dependency on housing assistance programs, instead of \$15,000,000 as proposed by the Senate. The House did not propose a similar provision. The conferees expect the Department to allocate these funds through a Notice of Funding Availability that provides clear eligibility criteria for this program.

Language proposed by the Senate to designate \$30,000,000 for transition costs associated with synchronization to a calendar year funding basis is not included. The House did not address this matter.

#### REVITALIZATION OF SEVERELY DISTRESSED PUBLIC HOUSING (HOPE VI)

Appropriates \$144,000,000 for the revitalization of severely distressed public housing program (HOPE VI), instead of \$150,000,000 as proposed by the Senate and \$143,000,000 as proposed by the House.

Language is included making funds available for obligation until September 30, 2006 as proposed by the House, instead of making funds available for one year as proposed by the Senate.

#### NATIVE AMERICAN HOUSING BLOCK GRANTS (INCLUDING TRANSFERS OF FUNDS)

Appropriates \$627,000,000 instead of \$622,000,000 as proposed by the House and \$650,241,000 as proposed by the Senate.

Includes \$4,500,000 for inspections, training, and technical assistance and \$2,200,000 for

the National American Indian Housing Council for technical assistance and capacity building as proposed by the Senate. The House proposed \$4,300,000 and \$2,100,000 respectively for these activities.

Includes \$2,000,000 for guaranteed loans to subsidize a total guaranteed loan principal of up to \$17,925,000 as proposed by the Senate instead of \$1,914,000 to subsidize a total loan volume of up to \$17,155,000 as proposed by the House.

Includes \$2,600,000 for information technology systems instead of no less than \$2,600,000 as proposed by the House and \$500,000 as proposed by the Senate. Modified language is included to broaden the uses of these funds to include other departmental information technology needs.

The conference agreement also includes language elsewhere in this title rescinding \$21,000,000 from prior year unobligated balances remaining for title VI loan guarantees. Both the House and Senate proposed this rescission.

#### INDIAN HOUSING LOAN GUARANTEE FUND PROGRAM ACCOUNT (INCLUDING TRANSFER OF FUNDS)

Appropriates \$5,000,000 to subsidize a total loan principal of up to \$145,345,000 as proposed by the House instead of \$1,000,000 to subsidize a total loan principal of \$29,069,767 as proposed by the Senate.

The conference agreement also includes language elsewhere in this title rescinding \$33,000,000 from prior year unobligated balances remaining from this program. Both the House and Senate proposed this rescission.

#### NATIVE HAWAIIAN HOUSING LOAN GUARANTEE FUND PROGRAM ACCOUNT (INCLUDING TRANSFER OF FUNDS)

Appropriates \$1,000,000 for guaranteed loans for Native Hawaiian housing to subsidize a total guaranteed loan principal of up to \$37,403,000 as proposed by the House and Senate.

#### COMMUNITY PLANNING AND DEVELOPMENT HOUSING OPPORTUNITIES FOR PERSONS WITH AIDS

Appropriates \$284,000,000 for housing opportunities for persons with AIDS (HOPWA) instead of \$282,000,000 as proposed by the House and \$294,800,000 as proposed by the Senate.

#### RURAL HOUSING AND ECONOMIC DEVELOPMENT

Appropriates \$24,000,000 for rural housing and economic development as proposed by the House instead of \$25,000,000 as proposed by the Senate. Language is included requiring funds to be awarded competitively by September 1, 2005. The Senate had proposed that funds be awarded by June 1, 2005.

#### EMPOWERMENT ZONES/ENTERPRISE COMMUNITIES

Appropriates \$10,000,000 for grants to the second round of empowerment zones. The House had proposed \$14,250,000 for this account and the Senate did not include funding for this activity. The conferees direct that funding in this account be distributed equally among the 15 Enterprise Zones and Enterprise Communities (EZ/ECs) designated in Round II.

#### COMMUNITY DEVELOPMENT FUND (INCLUDING TRANSFERS OF FUNDS)

Appropriates \$4,700,000,000 for various activities funded in this account as proposed by the House instead of \$4,950,000,000 as proposed by the Senate. The conferees agree to the following:

—\$4,150,035,000 for formula grants under the Community Development Block Grant program (CDBG), instead of \$4,304,900,000 as proposed by the House and \$4,547,700,000 as proposed by the Senate. The amount provided for CDBG includes grants to Insular areas as

proposed by the House. The Senate had proposed funding Insular areas as a Section 107 set-aside:

—\$69,000,000 for grants to Indian tribes, including up to \$4,000,000 for emergencies as proposed by the House, instead of \$72,000,000 as proposed by the Senate;

—\$3,300,000 for the Housing Assistance Council as proposed by the Senate instead of \$3,200,000 as proposed by the House;

If Landlord then so requires, Tenant shall secure such payment and the interest and penalties thereon and the costs of the contest on the determination or the proceedings or suit in which such contest may be had, by causing to be delivered to Landlord cash or other security in form and amount satisfactory to Landlord, or a bond of indemnity of a good and solvent surety company, in form and amount satisfactory to Landlord, or evidence of such funds in a trust account with Tenant's attorney, separately established for such purposes. (d) Nothing contained in this Lease shall require Tenant to pay any franchise, corporate, estate, inheritance, succession, capital levy or transfer tax of Landlord, or any income, profits or revenue tax or charge upon the Rent payable by Tenant under this Lease.

3.2.2. Utilities. Tenant shall pay or cause to be paid all insurance premiums and charges related to the premiums, and all costs of maintenance, repairs and other operating expenses relating to any Improvements at the Premises. Tenant further covenants and agrees to pay without notice or demand and without set-off, abatement, suspension or deduction, all other costs, general and special, ordinary and extraordinary, foreseen and unforeseen, which are due and payable during the Term hereof at any time imposed or levied against the Improvements or the Premises.

Tenant covenants to pay and discharge, when the same shall become due, all other amounts, liabilities, and obligations which Tenant assumes or agrees to pay or discharge pursuant to this Lease, together with every fine, penalty, interest and cost which may be added for nonpayment or late payment thereof (provided that Tenant shall not be liable for any payment or portion thereof which Landlord is obligated to pay and which payment Landlord has failed to make when due); and, in the event of any failure by Tenant to pay or discharge the foregoing, Landlord shall have all the rights, powers and remedies provided herein, by law or otherwise in the case of nonpayment of rent.

3.2.4. Landlord's Obligation to Cooperate. Landlord recognizes that Tenant intends to file an application with the appropriate County officials for abatement of real property taxes. Landlord agrees to cooperate with Tenant and to promptly execute any other documents reasonably requested by Tenant, provided that such documents do not impose any financial or unreasonable obligations on Landlord for which payment is not made or provided for by Tenant.

3.2.5. Community Development. The parties acknowledge that the Project is required to meet the public benefit requirements applicable to the United States Department of Housing and Urban Development (USHUD) Community Development Block Grant (CDBG) Program. These public benefit requirements include the creation of both entry-level jobs for low- to moderate-income persons as well as the training of such persons for jobs that increase their incomes. Tenant shall comply with the applicable requirements of the USHUD CDBG Program relative to such goals and the Project. Such CDBG requirements may include training or creation of at least 51% of the expected 300 jobs that will be created within the first three years of the project for, or public benefit to, low- to moderate-income persons. It is acknowledged that the training and development within the project may elevate the income and the standard of living of the employees at the project or other persons benefited by the project. The parties further acknowledge that the significant time and monies which have been and which shall be invested by Tenant require protections against inadvertent violations of such provisions and therefor, notwithstanding anything to the contrary in this Lease, any deemed violations by Tenant of this and related provisions in this Lease shall require notice from Landlord stating the

violation with specificity, and further allowing Tenant commercially reasonable time in which to cure any actual violation.

Tenant will maintain or cause to be maintained, in Miami-Dade County, adequate documentation available to show the number and type of jobs created and the hiring process used. Tenant will allow access to such documentation for review and inspection at the place maintained by or on behalf of Tenant for such documentation, at reasonable times and on reasonable notice during normal business hours by appropriate personnel or representatives of Landlord, Miami-Dade County, and/or USHUD.

Tenant agrees to execute such other documents, or provide such other future assurances, as may be required by Landlord, Miami-Dade County, and/or USHUD to confirm Tenant's compliance with the job creation and other CDBG requirements.

(g) During any construction periods, builder's risk coverage in amounts appropriate for the construction work undertaken;

(h) Any other insurance required by the Governing Documents;

(i) Tenant shall require any contractor for work greater than \$100,000 ("Major Contractor") to carry commercially reasonable commercial general liability and auto liability coverage and statutorily required workers' compensation insurance. Such general liability and auto liability coverages shall include Tenant and Landlord as additional insureds. Tenant shall obtain and keep on file certificates of insurance which show that the Major Contractor is so insured and Landlord shall have the right, from time to time, upon request, to review such Major Contractor information. In the alternative, Tenant may provide that its coverage shall include such Major Contractors;

(j) Tenant shall require any architect, engineer, or other person or entity providing professional services to Tenant and/or employed in connection with the maintenance of the Premises and the Improvements, or in the construction of the Improvements, to carry professional liability (errors and omissions) insurance in an amount not less than (a) \$2,000,000 with respect to any professional services in connection with the Development, and (b) following final completion of the Development as described in the Governing Documents, such amount as Landlord may reasonably require after consultation with Tenant, taking into account the cost of the Improvements being constructed at the Premises. Tenant shall obtain and keep on file certificates of insurance which show that the architect, engineer or other such professional is so insured;

(k) All such insurance under (i) and (j) above shall contain such contingent liability endorsements as shall make such insurance congruent with the fire and extended coverage insurance required by Section (d) of this Section 4.3. The minimum coverages stated in this Section shall be reviewed annually by Landlord and Tenant and shall be adjusted by mutual agreement at such intervals if such adjustments are necessary to reflect changes in the nature or degree of risks insured or standards, customs or products that are commercially reasonably available.

4.4. Insurance Provisions. Insurance maintained by Tenant pursuant to the requirements of Section 4.3 shall:

(a) be by standard policies, obtained from financially sound and responsible insurance companies authorized to do business in the State and reasonably acceptable to Landlord;

(b) have attached thereto a clause making the loss payable to Tenant, Landlord, and Permitted Mortgagees, if any, as their respective interests may appear;

(c) be written to become effective at the time Tenant becomes subject to the risk or hazard covered thereby, and shall be continued in full force and effect for such period as Tenant is subject to such risk or hazard;

(d) if available, provide for waiver of subrogation and payment of losses to Tenant or Landlord, respectively, notwithstanding any act of negligence of Landlord or Tenant.

4.5. Waivers of Insured Claims. Each of Landlord and Tenant hereby waives all rights of recovery against the other for loss or injury against which the waiving party is protected by insurance, but only to the extent of insurance proceeds received in connection with such loss or injury.

4.6. Additional Provisions. The following provisions shall apply to the insurance coverages described above:

(a) For all liability insurance coverage, Landlord is to be covered as additional insured as respects liability arising out of the Premises occupied, used or owned, in whole or in part, by Tenant;

(b) All policies required hereunder shall be endorsed to provide for a minimum thirty (30) day notice of cancellation, non-renewal or material modification to Tenant, Landlord, and Permitted Mortgagees, if any;

(c) Tenant shall deliver annually, upon Landlord's written request, certificates of insurance evidencing the existence of all required coverages, where applicable. Tenant shall deliver to Landlord, upon Landlord's written request, but no more frequently than annually, complete copies of all original policies and endorsements;

(d) In addition to notifying its insurer(s) in accordance with each policy, Tenant shall provide prompt written notice to Landlord as soon as reasonably possible of accident or loss relating to the Premises likely to exceed \$100,000.00.

4.7. Provisions Regarding Permitted Mortgagees. Notwithstanding any provision of this Article 4, no Permitted Mortgagee shall have any liability under this Section unless and until such Permitted Mortgagee takes title to Tenant's interest hereunder or becomes mortgagee in possession of Tenant's interest hereunder.

**ARTICLE 5**  
**USE, REPAIRS, ALTERATIONS**

**5.1. Use and Assignment.**

(a) Tenant covenants, promises and agrees that during the Term of this Lease it shall use the Premises only for lawful purposes.

(b) Tenant's use of the Premises may include the assignment or subletting or use of all or any part of the interest of Tenant in this Lease or the Premises to other persons or entities which shall agree (and such agreement may be by their interests being subordinate by law to a recorded copy or memorandum or short form of this instrument) that their use of the Premises shall be consistent with the use required by this Agreement. Landlord's consent to any such assignment or subletting shall not be unreasonably withheld, conditioned or delayed, shall be deemed given if Tenant does not receive written denial of consent within ten (10) days of written request therefor, and shall not be required for transfers to related entities or entities in which one or more of the current owners has an ownership interest. As to any subletting, Tenant shall remain liable hereunder for the payment and performance of all of Tenant's obligations hereunder. Any such assignment shall relieve Tenant of its obligations hereunder with respect to that portion of the Premises assigned, according to the provisions of Section 5.1(d) below.

(c) Notwithstanding anything to the contrary in this Lease, Tenant may but is not obligated to develop the Premises, and may but is not obligated to rebuild any Improvements which may be damaged or destroyed or required to be removed because of eminent domain. Tenant shall, however, maintain any Improvements which exist from time to time in commercially reasonable good condition and repair.

(d) In the event that Tenant assigns all or part of its leasehold interest under this Lease or in the Premises to a third party ("Assignee") then (a) Assignee shall be deemed to have assumed and Tenant shall be released from all tenant obligations under this Lease as to that portion of the Premises that is subject to the Assignment, and (b) this Lease shall be deemed to be bifurcated so that there shall be deemed to be separate leases, one (or more, as applicable) as to each Assignee and its interest and one as to the remaining interest of Tenant, and (c) upon request of Tenant, Landlord and Assignee shall enter into a separate lease as to the Premises subject to such assignment and this Lease shall be modified to delete and release such assigned Premises.

**5.2. Landlord Responsibility for Services or Facilities.** Landlord shall not under any circumstances be required to furnish any services or facilities or to make any repairs, replacements or alterations of any nature or description on or to the Premises or any Improvements thereon, whether ordinary or extraordinary, structural or nonstructural, foreseen or unforeseen, or to make any expenditure whatsoever in connection with this Lease or to maintain the Premises or any Improvements thereon in any way, except for matters, if any, that may be caused by Landlord's gross negligence or willful malfeasance.

5.3. Compliance with Law. Tenant shall, at its expense, perform all its activities on the Premises in compliance, and shall cause all occupants of any portion thereof to comply, with applicable laws, ordinances, codes and regulations affecting the Premises or its use, as the same may be administered by authorized governmental officials. Landlord shall, without expense to Landlord absent consent therefor, cooperate with Tenant in obtaining all required licenses, permits and the like, and shall sign all papers and documents at any time needed in connection therewith, including such instruments as may be required for the laying out, maintaining, repairing, replacing and using of water, gas, electric, telephone, drain or other utilities.

5.4. Ownership of Improvements/Surrender of Premises. All Improvements, including fixtures, shall be or become part of the Premises upon completion of construction, but such Improvements shall be owned by Tenant until the expiration or earlier termination of the Term of this Lease, and during the Term, Tenant alone shall be entitled to the tax attributes thereof, including depreciation deductions and low income housing or other tax credits thereon for income or other tax purposes. At the expiration or earlier termination of the Term of this Lease or any portion thereof, Tenant shall peaceably leave, quit and surrender the Premises and the Improvements thereon (or the portion thereof so terminated), subject to the rights of tenants in possession of portions of the Premises under leases with Tenant or subleases thereof, provided that such tenants or subtenants are not in default thereunder and attorn to Landlord as their Landlord. Subject to the rights of the Permitted Mortgagees, upon such expiration or termination the Premises and the Improvements thereon (or portion thereof so terminated) shall become the sole property of Landlord at no cost to Landlord and shall be free of all liens and encumbrances and in good condition, subject only to reasonable wear and tear (consistent with prudent and appropriate property management and maintenance during the Term). Landlord waives any statutory or other lien it may have, as landlord, on any property of subtenants of Tenant and subordinates its liens to Tenant's or its assignee's lenders and purchase money financiers and lessors, as to their Personal Property or Improvements.

5.5. Cooperation in Development. Landlord agrees that Tenant may develop all or part of the Premises alone or in conjunction with other properties owned by Tenant; Landlord shall promptly join with and cooperate with Tenant in all applications, permittings, and similar proceedings including replattings, zoning and land use applications, road closings, building approvals, and bonding and financing applications, to enable such development of the Premises and Tenant's other properties. The parties understand and agree that the development of the entire site shall be undertaken and completed over the course of several years in a reasonably paced phased development, and that it is the intent of the parties to initiate such development promptly in a commercially reasonable manner. The first of the properties to be developed, currently envisioned to be a building on the southwest corner of the property, shall be commenced and substantially completed during the first three years after the due execution of this Lease, and upon such completion the development shall be deemed to meet the requirements of the underlying PIC Land Conveyance Agreement as it exists on the date of this Lease. If the Conveyance Agreement is modified in the future, the modified provisions shall be deemed to control so long as they are not more restrictive upon, nor require additional payments by, Tenant, unless Tenant joins in such modifications. The parties further understand that the actual development shall be subject to the permitting requirements of governmental authorities including Miami-Dade County, the obligations of Tenant to develop, and the timing thereof,

shall therefor be subject to the granting of the permits, licenses, and certifications by the applicable authorities as well as to Acts of God.

## **ARTICLE 6** **TAKING**

6.1. Notice of Taking. Forthwith upon receipt by either Landlord or Tenant of notice of the institution of any proceedings for a Taking, the party receiving such notice shall promptly give notice thereof to the other, and such other party may also appear in such proceeding and be represented by counsel, who may be counsel for the party receiving such notice.

6.2. Special Account. The full amount of any award whether pro tanto or final for any Taking (the "Award"), shall, notwithstanding any allocation made by the awarding authority, be paid and allocated as set forth below, provided that there shall first be deducted from the Award in the order stated (i) all reasonable fees and expenses of collection, including reasonable attorneys' fees and experts' fees, which shall be paid to the party which has incurred such fees and expenses, (ii) any Rent or impositions under Article 3 outstanding prior to the Taking, which shall be paid to Landlord, and (iii) any outstanding amounts secured by Permitted Mortgages to the extent required under such Permitted Mortgages, which shall be paid to the Permitted Mortgagees in their respective order of priority. With respect to the balance of such award, Landlord and Tenant shall be entitled to receive and retain such separate awards and portions of lump sum awards as may be allocated to their respective interests in any condemnation proceedings, or as may be otherwise agreed, taking into consideration the fact that Landlord's interest in the Premises is limited to the land as encumbered by this Lease, and a reversionary interest in the Premises upon the expiration of the Term.

6.3. Total Taking. In the event of a permanent Taking of the fee title to or of control of the entire leasehold estate hereunder (a "Total Taking"), this Lease shall thereupon terminate as of the effective date of such Total Taking, without liability or further recourse to the parties, provided that any Rent or other impositions hereunder payable or obligations owed by Tenant to Landlord as of the date of said Total Taking shall be paid or otherwise carried out in full; and the Award shall be allocated in accordance with Section 6.2.

6.4. Partial Taking. In the event of a permanent Taking of less than all of the Premises (a "Partial Taking"), if Tenant reasonably determines that the continued development, use or occupancy of the remainder of the Premises by Tenant cannot reasonably be made to be economically viable, structurally sound, consistent with the Governing Documents, or otherwise feasible, then Tenant may terminate this Lease pursuant to this Agreement, and the Award shall be applied in accordance with Section 6.2.

6.5. Taking by Landlord. Landlord shall not condemn or otherwise "take" the Premises or any part thereof, nor by exercise of its powers diminish or destroy the use of the Premises or Tenant's leasehold interest therein.

**ARTICLE 7**  
**CONDITION OF PREMISES**

7.1. Condition, Title. The Premises are demised and let in an "as is" physical condition as of the date hereof. The Premises are demised and let to Tenant subject to:

(a) zoning regulations, restrictions, rules, laws and ordinances now in effect or hereafter adopted by any governmental authority;

(b) unpaid real estate taxes for the current fiscal tax year which are not yet due and payable (to the extent there are such taxes after the Effective Date), Landlord hereby agreeing to defend, indemnify, and hold Tenant harmless from any claim for payments in lieu of taxes, water and sewer charges and any other liens made by the local governmental authorities for periods prior to the date hereof, and all matters of record.

Landlord covenants that it has good and marketable fee title to the Premises, that it has the power and authority to enter into this Lease, and that Tenant shall have good and marketable leasehold title to the Premises. If Tenant is unable to obtain a marketable leasehold title insurance policy in form and with Florida-approved endorsements satisfactory to Tenant and its lender(s), showing any Permitted Mortgage to be a valid first lien on Tenant's leasehold interest in the Premises, or if Tenant's underwriter shall require execution of corrective title documents by Miami-Dade County or Landlord, in order to clear title to all or any part of the Premises or to property owned by Tenant which is part of the development by Tenant of the Premises, and adjacent and neighboring property, then Landlord shall undertake such measures as may be reasonably necessary so that Tenant may obtain such coverage, but Landlord shall not be required to incur any out-of-pocket expenses for such clearing of title provided the title issue has not been caused by Landlord. Landlord shall remove any liens existing at time of execution of this Lease, or caused by Landlord or attaching to Landlord's interests in the future. Landlord has informed Tenant that the Property may be subject to requirements of consent to transfer, lease or use by the County; if so, Landlord will cooperate with Tenant to meet all such requirements.

7.2. Quiet Enjoyment. Landlord covenants and agrees with Tenant that so long as Tenant is not in material uncured default beyond any applicable notice, cure or grace period; Tenant shall and may, at all times during the Term as extended, peaceably and quietly have, hold and enjoy the Premises and all rights, appurtenances and privileges belonging or in any way appertaining thereto for the uses permitted in Section 5.1 hereof without hindrance or molestation; provided that Landlord may enter upon and examine the Premises as provided herein.

7.3. Pre-Existing Environmental Conditions. Tenant shall not cause or permit to exist, as a result of an intentional act or omission on its part, a releasing, discharging, spilling, leaking, pumping, emitting, pouring, emptying or dumping of a "Hazardous Substance" onto the Premises; Tenant shall not however be responsible for matters arising from or related to the Hazardous Substances and related conditions existing as of the date of execution of this Lease, or from any Hazardous Substances that migrate onto the Premises from property owned by Landlord or Miami-Dade County. Tenant hereby agrees to indemnify, reimburse, defend and hold harmless Landlord and Miami-Dade County, their officers, directors, employees, successors

and assigns from and against all demands, claims, civil or criminal actions or causes of action, liens, assessments, civil or criminal penalties or fines, losses, damages, liabilities, obligations, costs, disbursements, expenses or fees of any kind or of any nature (including, without limitation, cleanup costs, attorneys', paralegals', consultants' or experts' fees and disbursements and costs of litigation) which may at any time be imposed upon, incurred by or asserted or awarded against, Landlord or Miami-Dade County, in favor of any third parties, directly or indirectly, related to or resulting from: (a) any acts or omissions of Tenant at, on or about Premises which contaminate air, soils, surface waters or groundwaters over, on or under the Premises; (b) the breach of any Tenant representation or warranty under this Lease, related to a Hazardous Substance; (c) pursuant to or in connection with the application of any Environmental Law, to the acts or omissions of Tenant or any other person and any environmental damage alleged to have been caused, in whole or in part, by the manufacture, processing, distribution, use, handling, transportation, treatment, storage, or disposal of any Hazardous Substance on the Premises, other than related to or growing out of the matters and conditions existing at time of execution of this Lease, or caused by Landlord or Miami-Dade County; or (d) the presence, whether present or future, of any Hazardous Substances on, in or about the Premises, found to have occurred during the existence of the Lease, other than related to or growing out of the matters and conditions existing at time of execution of this Lease, or caused by Landlord or Miami-Dade County. In the event any action is commenced against Landlord or Miami-Dade County, for which Tenant is required to indemnify Landlord or Miami-Dade County hereunder, Landlord or Miami-Dade County, as applicable, shall immediately notify Tenant and Tenant shall have the option of electing to defend such action with counsel of its choice, which counsel shall be subject to the approval of Landlord or Miami-Dade County in their reasonable discretion. If Landlord or Miami-Dade County defends any action brought against it for which it seeks indemnification hereunder, Landlord or Miami-Dade County shall not settle any such claim without Tenant's prior consent. This indemnification by Tenant shall not apply to demands, claims, causes of actions, liens, penalties, fines, losses, damages, liabilities, obligations, cost, disbursements, expenses or fees which are imposed as a result of Landlord's or Miami-Dade County's negligence, misconduct or for acts that arose before Tenant took control of the Premises or related to or arising from matters or conditions which exist at the date of execution of this Lease or from Hazardous Substances which migrate onto the Premises hereafter from any other property owned by Landlord or Miami-Dade County.

Without limiting the foregoing, this indemnification provision specifically protects the Landlord and Miami-Dade County against any claim or action from activities described in (a), (b), (c) or (d) above, based in whole or in part upon any Environmental Law, whether now in existence or enacted in the future. Tenant's indemnification obligation under this section shall not be limited to any extent by the term of the Lease and shall continue, survive and remain in full force and effect notwithstanding the termination of the Lease.

Landlord and Miami-Dade County hereby agree, subject to the limits set by law, to indemnify, reimburse, defend and hold harmless Tenant and its officers, directors, employees, successors and assigns from and against all demands, claims, civil or criminal actions or causes of action, liens, assessments, civil or criminal penalties or fines, losses, damages, liabilities, obligations, costs, disbursements, expenses or fees of any kind or of any nature (including, without limitation, cleanup costs, attorneys', paralegals', consultants' or experts' fees and

disbursements and costs of litigation) which may at any time be imposed upon, incurred by or asserted or awarded against, Tenant, in favor of any third parties, directly or indirectly, related to or resulting from: (a) any acts or omissions of Landlord or Miami-Dade County at, on or about Premises which contaminate air, soils, surface waters or groundwaters over, on or under the Premises; (b) the breach of any Landlord representation or warranty under this Lease, related to a Hazardous Substance; (c) pursuant to or in connection with the application of any Environmental Law, to the acts or omissions of Landlord or Miami-Dade County or any other person and any environmental damage alleged to have been caused, in whole or in part, by the manufacture, processing, distribution, use, handling, transportation, treatment, storage, or disposal of any Hazardous Substance on the Premises, other than those related to or growing out of the matters and conditions that are *not* related to those existing at time of execution of this Lease, or caused by Landlord or Miami-Dade County; or (d) the presence, whether present or future, of any Hazardous Substances on, in or about the Premises, found to have occurred during the existence of the Lease, other than those that are *not* related to or growing out of the matters and conditions existing at time of execution of this Lease, or caused by Tenant. In the event any action is commenced against Tenant, for which Landlord or Miami-Dade County is required to indemnify Tenant hereunder, Tenant shall immediately notify Landlord or Miami-Dade County, as applicable, and Landlord or Miami-Dade County, as applicable, shall have the option of electing to defend such action with counsel of its choice, which counsel shall be subject to the approval of Tenant in its reasonable discretion. If Tenant defends any action brought against it for which it seeks indemnification hereunder, Tenant shall not settle any such claim without Landlord's or Miami-Dade County's, as applicable, prior consent. This indemnification by Landlord and Miami-Dade County shall not apply to demands, claims, causes of actions, liens, penalties, fines, losses, damages, liabilities, obligations, cost, disbursements, expenses or fees which are imposed as a result of Tenant's negligence, misconduct or for acts that first arose after Tenant took control of the Premises or related to or arising from matters or conditions which did not exist at the date of execution of this Lease or from Hazardous Substances which migrate onto the Premises hereafter from any other property owned by Landlord or Miami-Dade County.

Without limiting the foregoing, this indemnification provision specifically protects Tenant against any claim or action from activities described in (a), (b), (c) or (d) above, based in whole or in part upon any Environmental Law, whether now in existence or enacted in the future. Landlord's and Miami-Dade County's indemnification obligation under this section shall not be limited to any extent by the term of the Lease and shall continue, survive and remain in full force and effect notwithstanding the termination of the Lease.

Notwithstanding anything to the contrary in this Section 7.3 or otherwise in this Lease, Landlord and Tenant acknowledge that Hazardous Substances are located on or under the Premises and such conditions must be fully remediated; such remediation is Landlord's responsibility and Landlord shall be responsible for and agrees to indemnify Tenant from and against any and all loss, cost, damage or expense (including reasonable attorneys' fees) arising out of or related to any Hazardous Substances on, in, under or affecting all or any portion of the Premises, which exist as of the date of this Lease, or which migrate onto the Premises hereafter from any other property owned by Landlord, or which are caused by Landlord or its agents or employees (but not matters which are solely caused by Tenant or its sublessees, contractors or agents). In consideration of Tenant entering into this Lease prior to the full remediation of such

matters, Tenant may give Landlord notice to cure any such matters and, if not fully cured within ten (10) days, Tenant may effectuate all or a portion of such cure and in such event shall have the right to reimbursement from Landlord and the right to setoff its costs against money due to Landlord.

7.4. Right of First Refusal. Tenant shall have the following right of first refusal: if Landlord shall accept an offer to transfer title to all or part of the Premises, it shall give Tenant notice thereof and Tenant shall have sixty (60) days in which to accept or reject purchasing such property on the same price and terms, or reasonably similar terms satisfactory to Landlord and to Tenant, and Landlord shall not have the authority to convey any of the Premises without Tenant having waived such right of first refusal. Tenant's right of first refusal shall continue for the Lease Term, notwithstanding that Tenant may not have exercised such right one or more times during the Term.

7.5. Option to Purchase. Tenant shall have the option to purchase all or a portion of the Premises (the "Option to Purchase"), which may be exercised by notice duly given to Landlord no less than ninety (90) days prior to the date which Tenant shall specify as the Closing Date. If Tenant exercises its Option to Purchase, Landlord shall deliver good and marketable title thereto, the grantee shall be Tenant or a related entity designated by Tenant, and the purchase price shall be the FMV of the land which is purchased (the improvements thereon and thereto being acknowledged to have been made by Tenant and to be owned by Tenant); the purchase price shall be a negotiated price for the land to be purchased that is no less than the FMV of the land to be purchased as determined by an appraisal obtained by the Landlord, the appraiser to be reasonably approved by Tenant (who shall object, if at all, within five (5) business days). Closing documentation shall be on commercially reasonable forms standard in Miami-Dade County Florida for such transactions, and the parties shall cooperate with each other in executing and delivering such documentation. Should Tenant exercise its Option to Purchase prior to satisfaction of the job creation requirements listed in Section 3.2.5 of this Lease, then Landlord shall add appropriate language to the deed or other appropriate document, requiring Tenant to satisfy the conditions set forth in Section 3.2.5.

## **ARTICLE 8**

### **DEFAULTS**

8.1. Default. The occurrence of any of the following events shall constitute an event of default ("Event of Default") hereunder:

(a) if Tenant fails to pay when due any Rent or other impositions due hereunder pursuant to Section 3.3 of this Lease and any such default shall continue for thirty (30) days after the receipt of written notice thereof by Tenant; or if Tenant fails to observe or perform any covenant, condition, agreement or obligation hereunder or under any other Governing Document not addressed by any other event described in this Section 8.1, and shall fail to substantially cure, correct or remedy such failure within thirty (30) days after the receipt of written notice thereof, unless such failure cannot be

cured by the payment of money and cannot with due diligence be cured within a period of thirty (30) days, in which case such failure shall not be deemed to continue if Tenant proceeds promptly and with due diligence to cure the failure and diligently completes the curing thereof within a reasonable period of time, not to exceed two hundred seventy (270) days; or

(b) if any representation or warranty of Tenant set forth in this Lease, in any certificate delivered pursuant hereto, or in any notice, certificate, demand, submittal or request delivered to Landlord by Tenant pursuant to this Lease shall prove to be incorrect in any material and adverse respect as of the time when the same shall have been made and the same shall not have been remedied to the reasonable satisfaction of Landlord within thirty (30) days after written notice from Landlord; or

(c) if Tenant shall be adjudicated bankrupt or be declared insolvent under the Federal Bankruptcy Code or any other federal or state law (as now or hereafter in effect) relating to bankruptcy, insolvency, reorganization, winding-up or adjustment of debts (hereinafter collectively called "Bankruptcy Law"), or if Tenant shall (a) apply for or consent to the appointment of, or the taking of possession by, any receiver, custodian, trustee, United States Trustee or liquidator (or other similar official) of Tenant or of any substantial portion of Tenant's property; (b) generally not pay debts as they become due or admit in writing its inability to pay its debts generally as they become due; (c) make a general assignment for the benefit of its creditors; (d) file a petition commencing a voluntary case under or seeking to take advantage of a Bankruptcy Law; or (e) fail to contest in a timely and appropriate manner, or in writing acquiesce to, any petition commencing an involuntary case against Tenant pursuant to any Bankruptcy Law; or

(d) if an order for relief against Tenant shall be entered in any involuntary case under the Federal Bankruptcy Code or any similar order against Tenant shall be entered pursuant to any other Bankruptcy Law, or if a petition commencing an involuntary case against Tenant or proposing the reorganization of Tenant under the Federal Bankruptcy Code shall be filed in and approved by any court of competent jurisdiction and not be discharged or denied within ninety (90) days after such filing, or if a proceeding or case shall be commenced in any court of competent jurisdiction seeking (a) the liquidation, reorganization, dissolution, winding-up or adjustment of debts of Tenant, (b) the appointment of a receiver, custodian, trustee, United States Trustee or liquidator (or other similar official of Tenant) of Tenant or of any substantial portion of Tenant's property, or (c) any similar relief as to Tenant pursuant to any Bankruptcy Law, and any such proceeding or case shall continue undismissed, or any order, judgment or decree approving or ordering any of the foregoing shall be entered and continued unstayed and in effect, for sixty (60) days.

8.2. Remedies for Default. If there shall occur an Event of Default on the part of Tenant, Landlord may terminate this Lease upon not less than thirty (30) additional days' written notice to Tenant, setting forth Tenant's uncured, continuing default and Landlord's intent to exercise its right to terminate under this Section 8.2, whereupon unless Tenant's alleged default has been cured before such termination date, or Tenant shall have commenced such cure (and diligently proceeds to cure such default), this Lease may be terminated after such thirty (30) day

period by a written notice of same from Landlord, provided, however, that Tenant may elect to purchase the Premises for the fair market value of the real property (less the Improvements and other enhancements by Tenant and its Assignees or other persons other than Landlord), by notice duly given Landlord during such thirty (30) day period; in such event, Tenant shall promptly order a title insurance commitment and proceed to closing, with Landlord delivering marketable title according to the standards then promulgated by The Florida Bar or otherwise then customary in Miami-Dade County, Florida.

8.3. Rights and Obligations Upon Termination. Upon such termination, Tenant's interest in the Premises and the Improvements shall automatically revert to Landlord.

8.4. Rights Upon Termination. Upon termination of this Lease pursuant to Section 8.3, provided Tenant does not elect to purchase the Premises, Landlord may:

(a) retain, at the time of such termination, any Rent or other impositions paid hereunder, without any deduction, offset or recoupment whatsoever; and

(b) enforce its rights under any bond outstanding at the time of such termination; and

(c) require Tenant to deliver to Landlord, or otherwise effectively transfer to Landlord, any and all governmental approvals and permits, and any and all rights of possession, ownership or control Tenant may have in and to any and all financing arrangements, plans, specifications, and other technical documents or materials related to the Development.

8.5. Performance by Landlord. If Tenant shall fail to make any payment or perform any act required under this Lease, within the time period applicable thereto, Landlord may (but need not) cure such default for the account of Tenant, after notice specifying the payment or performance to be made or done and Landlord's intent to make payment or perform on behalf of Tenant. Tenant shall promptly pay Landlord the amount of such charges, costs and expenses as Landlord shall have incurred in curing such default, together with interest at the Base Interest Rate.

8.6. Legal Costs. Tenant shall be liable for the reasonable and actual legal expenses of Landlord in connection with any collection of Rent or other impositions owed under this Lease, the remedying of any default under this Lease or any termination of this Lease where such collection, remedying or termination results from an Event of Default.

8.7. Remedies Cumulative. Unless otherwise specifically provided in this Lease, no remedy herein shall be exclusive of any other remedy or remedies, and each such remedy shall be cumulative and in addition to every other remedy; and every power and remedy given by this Lease may be exercised from time to time and as often as may deemed expedient by either party. No delay or omission by Landlord to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or an acquiescence therein. The absence in this Lease of any enumeration of events of default by Landlord or remedies of either party with respect to money damages or

specific performance shall not constitute a waiver by either party of its right to assert any claim or remedy available to it under law or in equity.

## **ARTICLE 9**

### **LEASEHOLD MORTGAGEE'S RIGHTS**

9.1. Right to Mortgage. Tenant shall have the right from time to time to encumber its interest in all or a portion of the Development with one or more mortgages or other financing instruments (referred to herein as "Permitted Mortgage(s)" or "Leasehold Mortgage(s)"). Tenant shall furnish Landlord with a certified copy of the mortgage as executed and recorded.

9.2. Leasehold Financings.

(a) If Tenant and/or Tenant's permitted successors and assigns (including any sublessee of Tenant, but only with Tenant's prior consent) shall mortgage this leasehold, or any part or parts thereof, and if Tenant or the holder(s) of such mortgage(s) (referred to herein as "Leasehold Mortgagee(s)" or "Permitted Mortgagee(s)") shall, within ninety (90) days of its execution, send to Landlord a true copy thereof, together with written notice specifying the name and address of the Leasehold Mortgagee(s), Landlord agrees that so long as any such Leasehold Mortgage(s) shall remain unsatisfied of record or until written notice of satisfaction is given by the Leasehold Mortgagee(s) to Landlord, the following provisions shall apply:

(i) There shall be no cancellation, surrender or modification of this Lease by joint action of Landlord and Tenant without the prior consent in writing of the Leasehold Mortgagee(s);

(ii) Landlord shall, upon serving Tenant with any notice of default, simultaneously serve a copy of such notice upon the Leasehold Mortgagee(s); the Leasehold Mortgagee(s) shall thereupon have the same period, after service of such notice upon it, to remedy or cause to be remedied the defaults complained of, and Landlord shall accept such performance by or at the instigation of such Leasehold Mortgagee(s) as if the same had been done by Tenant;

(iii) Anything herein contained to the contrary notwithstanding, while such Leasehold Mortgage(s) remains unsatisfied of record, or until written notice of satisfaction is given by the Leasehold Mortgagee(s) to Landlord, if any default shall occur which, pursuant to any provision of this Lease, entitles Landlord to terminate this Lease, and if, before the expiration of twenty (20) days from the date of service of notice of termination upon such Leasehold Mortgagee(s), such Leasehold Mortgagee(s) shall have notified Landlord of its desire to nullify such notice and shall have paid to Landlord all Rent and other payments herein provided for, and then in default, and shall have complied, or shall commence the work of complying, with all of the other requirements of this Lease, if any are then in default, and shall prosecute the same to completion with reasonable diligence, then in such event Landlord shall not be entitled to terminate this Lease and any notice of termination theretofore given shall be void and of no effect;

(iv) If Landlord shall elect to terminate this Lease by reason of any default of Tenant, the Leasehold Mortgagee(s) shall not only have the right to nullify any notice of termination by curing such default, as aforesaid, but shall also have the right to postpone and extend the specified date for the termination of this Lease as fixed by Landlord in its notice of termination, for a period of not more than six (6) months, provided that such Leasehold Mortgagee(s) shall cure or cause to be cured any then existing money defaults and meanwhile pay the Rent and other sums due pursuant to this Lease, and comply with and perform all of the other terms, conditions and provisions of this Lease on Tenant's part to be complied with and performed, other than past non-monetary defaults, and provided further that the Leasehold Mortgagee(s) shall forthwith take steps to acquire or sell Tenant's interest in this Lease by foreclosure of the Leasehold Mortgage(s) or otherwise and shall prosecute the same to completion with all due diligence. If at the end of said six (6) month period the Leasehold Mortgagee(s) shall be actively engaged in steps to acquire or sell Tenant's interest herein, the time of said Leasehold Mortgagee to comply with the provisions of this Section shall be extended for such period as shall be reasonably necessary to complete such steps with reasonable diligence and continuity;

(v) Landlord agrees that the name of the Leasehold Mortgagee(s) may be added to the "Loss Payable Endorsement" of any and all insurance policies required to be carried by Tenant hereunder;

(vi) Landlord agrees that in the event of termination of this Lease by reason of any default by Tenant other than for nonpayment of Rent or other payments herein provided for and/or the termination or rejection of this Lease in a bankruptcy proceeding of Tenant, Landlord will enter into a new lease of the Premises with the Leasehold Mortgagee(s) or its nominee(s) for the remainder of the Term, effective as of the date of such termination, at the Rent and upon the terms, provisions, covenants and agreements as herein contained and subject only to the same conditions of title as this Lease is subject to on the date of the execution hereof, and to the rights, if any, of any parties then in possession of any part of the Premises;

(vii) Landlord agrees promptly after submission to execute, acknowledge and deliver any agreements modifying this Lease reasonably requested by any Leasehold Mortgagee(s), provided that such modification does not decrease Tenant's obligations, increase Landlord's obligations or decrease Landlord's rights pursuant to this Lease; Landlord shall promptly execute such other estoppel or subordination and nondisturbance agreements and the Leasehold Mortgagee(s) may request;

(ix) Landlord shall, upon request, execute, acknowledge and deliver to each Leasehold Mortgagee(s), an agreement prepared at the sole cost and expense of Tenant, in form satisfactory to such Leasehold Mortgagee(s), between Landlord, Tenant and Leasehold Mortgagee(s), agreeing to all of the provisions of this Section. The term "Mortgage" or "mortgage", whenever used herein, shall include whatever security instruments are used in the locale of the Premises, such as deeds of trust, security deeds and conditional deeds, as well as financing statements, security agreements and other documentation required pursuant to the Uniform Commercial Code. The term "Mortgage" or "mortgage", whenever used herein, shall also include any instruments required in connection with a bond or other financing transaction.

(b) Notwithstanding anything herein contained to the contrary, (i) the Leasehold Mortgagee shall not become liable for Tenant's covenants and obligations of this Lease unless and until it shall become the owner of the legal or equitable title to the leasehold estate granted hereby, and (ii) in the event such Leasehold Mortgagee fails to perform any obligation or covenant of Tenant under this Lease and as a consequence of such default Landlord recovers a money judgment against such Leasehold Mortgagee, such judgment shall be satisfied only out of the proceeds of sale received upon execution of such judgment and levy thereon against the right, title and interest of such Leasehold Mortgagee in this Lease out of rents or other income from such property receivable by such Leasehold Mortgagee, and no such Leasehold Mortgagee shall have any personal liability for any deficiency or money judgment.

(c) Landlord agrees that at any time and from time to time during the term of this Lease, the subtenants of any freestanding building may assign, pledge or encumber such subtenant's interest in the subleasehold estate created under their respective subleases by way of a subleasehold mortgage. If any subtenant of any freestanding building encumbers its subleasehold estate by way of a subleasehold mortgage and gives Landlord a true and correct copy of the subleasehold mortgage, then such sublease shall not be terminated or canceled on account of any default by the Tenant in the performance of the terms, covenants or conditions hereof until Landlord shall have complied with the provisions of this section as to the subleasehold mortgagee's rights to cure and attorn to the Landlord and in the event any such sublease is thereafter terminated because of default by the subtenant of any freestanding building thereunder, Landlord (or the tenant under a new lease) shall grant to any subleasehold mortgagee of the terminated subleasehold estate a new lease or sublease substantially in accordance with the rights and obligations provided with respect to the Leasehold Mortgagee under this section.

(d) Landlord shall, upon request by Tenant, execute an estoppel letter in form substantially similar to that described in Exhibit B, adjusted as the Leasehold Mortgagee may request in accordance with customary practice at the time such estoppel is requested. Failure by Landlord to execute an estoppel letter within 30 days of request therefor shall be deemed to be an execution of the form presented, and the instruction to Tenant, as its attorney in fact (which appointment is a power coupled with an interest) to execute such estoppel on Landlord's behalf.

## ARTICLE 10 MISCELLANEOUS

10.1. Construction. Landlord and Tenant agree that all the provisions hereof are to be construed as covenants and agreements as though the words importing such covenants and agreements were used in each separate section thereof.

10.2. No Waiver. Failure of either party to complain of any act or omission on the part of the other party, no matter how long the same may continue, shall not be deemed to be a waiver by said party of any of its rights hereunder. No waiver by either party at any time, either express or implied, of any breach of any other provision of this Lease shall be deemed a waiver of a breach of any other provision of this Lease or a consent to any subsequent breach of the same or any other provision. If any action by either party shall require the consent or approval of

the other party, the other party's consent to or approval of such action on any one occasion shall not be deemed a consent to or approval of said action on any subsequent occasion or a consent to or approval of any other action on the cause of any subsequent occasion. Any and all rights and remedies which either party may have under this Lease or by operation of law, either at law or in equity, upon any breach, shall be distinct, separate and cumulative and shall not be deemed inconsistent with each other and no one of them whether exercised by said party or not, shall be deemed to be in exclusion of any other; and two or more or all of such rights and remedies may be exercised at the same time.

10.3. Headings. The headings used for the various articles and sections of this Lease are used only as a matter of convenience for reference, and are not to be construed as part of this Lease or to be used in determining the intent of the parties of this Lease.

10.4. Partial Invalidity. If any term, covenant, provision or condition of this Lease or the application thereof to any person or circumstances shall be declared invalid or unenforceable by the final ruling of a court of competent jurisdiction having final review, the remaining terms, covenants, provisions and conditions of this Lease and their application to persons or circumstances shall not be affected thereby and shall continue to be enforced and recognized as valid agreements of the parties, and in the place of such invalid or unenforceable provision there shall be substituted a like, but valid and enforceable, provision which comports to the findings of the aforesaid court and most nearly accomplishes the original intention of the parties.

10.5. Bind and Inure. Unless contrary to the context, the words "Landlord" and "Tenant" shall be construed to mean the original parties, their respective successors and assigns and those claiming through or under them respectively. The agreements and conditions in this Lease contained on the part of Tenant to be performed and observed shall be binding upon Tenant and its successors and assigns and shall inure to the benefit of Landlord and its successors and assigns, and the agreements and conditions in this Lease contained on the part of the Landlord to be performed and observed shall be binding upon Landlord and its successors and assigns and shall inure to the benefit of Tenant and its successors and assigns.

10.6. Estoppel Certificate. Each party agrees from time to time, upon no less than fifteen (15) days' prior notice from the other, to execute, acknowledge and deliver to the other a statement certifying that (i) this Lease is unmodified and in full force and effect (or, if there have been any modifications, that the same is in full force and effect as modified and stating the modifications), (ii) the dates to which the Rent has been paid, and that no other payments are due under this Lease (or if other payments are due, the nature and amount of the same), and (iii) whether there exists any uncured default by the other party, or any defense, offset, or counterclaim against the other party, and, if so, the nature of such default, defense, offset or counterclaim. Any such statement delivered pursuant to this Section 10.6 may be relied upon by any prospective purchaser or holder of a mortgage of the leasehold interest hereunder or any prospective holder of a sublease from Tenant or any prospective assignee of any such holder of a mortgage or sublease.

10.7. Recordable Form of Lease. Simultaneously with the delivery of this Lease the parties have delivered a counterpart original of this Lease or notice or short form of this Lease which Tenant shall record in the public office in which required to put third parties on notice. If

this Lease is terminated before the Term expires, the parties shall execute, deliver and record an instrument acknowledging such fact and the date of termination of this Lease.

10.8. Notice. Any notice or other communication given or made pursuant to this Agreement shall be in writing and shall be deemed given if (i) delivered personally or by courier, or (ii) sent by overnight express delivery, to a party at its respective address set forth below (or at such other address as shall be specified by the party by like notice given to the other party):

10.9. Entire Agreement and Amendments. This instrument contains all the agreements made between the parties hereto with respect to the subject matter hereof and shall not be modified in any manner without the written consent of the parties hereto.

10.10. Force Majeure. If either party's performance of any obligation under this Lease is delayed or prevented by Force Majeure, the period of such delay or prevention shall be deemed added to the time provided for by this Lease for such performance, provided that such party shall have given notice to the other party of such Force Majeure.

10.11. No Merger. The leasehold interest, estate, and rights of Tenant under this Lease shall be deemed to be separate and distinct from Landlord's interest, estate, and rights in or to the Premises, notwithstanding that any such interests, estates, or rights shall at any time or times be held by or vested in the same person or entity. In no event shall the leasehold interest, estate, or

rights of Tenant under this Lease merge with any interest, estate, or rights of Landlord in or to the Premises.

10.12. Brokerage Indemnity. Each party warrants and represents to the other that no real estate brokers, agents, salesmen, or finders are involved in this transaction. If a claim for brokerage or similar fees in connection with this transaction is made by any other broker, agent, salesman, or finder claiming to have dealt through or on behalf of one of the parties to this Lease, then such party shall indemnify, defend, and hold harmless the other party from all liabilities, damages, claims, costs, fees, and expenses (including reasonable attorneys' fees and court costs, including those for appellate matters) with respect to such claim for brokerage.

10.13. Authority. Each party represents to the other that it has full legal right, power, and authority to enter into, execute, and perform this Lease.

10.14. Attorneys' Fees. In the event of litigation arising out of this Lease, the prevailing party (as to the matters on which it prevails) shall be entitled to reasonable attorneys' fees, including fees for the services of paralegals and similar persons, and all such expenses and costs incurred by the prevailing party through all appellate levels, and collection of judgments, including but not limited to matters in arbitration, bankruptcy, probate and administrative hearings.

10.15. Sections References. All references to Exhibits or Sections are to Exhibits or Sections of this Lease, unless the reference expressly identifies another document.

10.16. Gender and Case. Whenever the context of any provision of this Lease so requires, pronouns of any gender shall include the other genders, words in the singular shall include the plural, and words in the plural shall include the singular. The word "including" shall be deemed to mean "including but not limited to".

10.17. Counterparts. This Lease may be executed and delivered in two or more counterparts, each of which shall be deemed to be an original and all of which, taken together, shall be deemed to be one agreement.

10.18. Further Actions and Documents. The parties shall take all such actions and execute all such documents as may be necessary to carry out the purposes of this Lease, whether or not specifically provided for in this Lease.

10.19. Governing Law. This Lease shall be construed and governed in accordance with the laws of the State of Florida without application of conflict of law principles.

10.20. Negotiated Agreement. All of the parties to this Lease have participated fully in its negotiation and preparation. Accordingly, this Lease shall not be more strictly construed against any one of the parties.

10.21. Entire Agreement. This Lease contains the sole and entire agreement, and supersedes all other prior written or oral agreements, between the parties with respect to the subject matter of this Lease.

10.22. Radon Gas. Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county public health unit.

10.23. Limitation on Liability. It is expressly agreed and understood by and between the parties hereto that anything herein to the contrary notwithstanding, in the event of a default hereunder by Landlord, Landlord shall have no personal liability for damages unless lawfully authorized, and except for such authorization Tenant shall satisfy itself solely by means of proceedings against Landlord's interest in the Premises.

10.24. Waiver of Jury Trial. The parties hereby waive trial by jury in any action, preceding or claim brought by either of the parties hereto against the other for any matters whatsoever arising out of or in any way connected with this Lease, the relationship of Landlord and Tenant, Tenant's use or occupancy of the Premises and Building, and/or claim of injuries or damage.

This Lease is joined in by Miami-Dade County, the fee owner of the Premises prior to conveyance to Landlord, to evidence that if it should in the future become the fee owner of the Premises, or otherwise superior in title to the interests of Tenant, it will recognize Tenant as tenant under this Lease, shall assume the obligations of Landlord hereunder, and shall not disturb Tenant's right of possession and peaceable enjoyment under this Lease, as it may be modified from time to time, so long as Tenant is not in material default hereunder, which default is not cured as described herein or prior to the dispossession of Tenant. The joinder by the County in this Lease is its consent to the exercise of the Right of First Refusal or Option to Purchase by Tenant anticipated in this Lease.

RE: \_\_\_\_\_, Miami Dade County, Florida

This estoppel certificate and acknowledgment (the "Certificate") is being provided in connection with the contemplated loan (the "Loan") between \_\_\_\_\_ (the "Lender") and \_\_\_\_\_ (the "Lessee") which will be secured by that certain Leasehold Mortgage, Assignment of Leases and Rents, Security Agreement and Fixture Filing dated on or about \_\_\_\_\_, 200\_ (the "Mortgage").

The undersigned, as lessor (the "Lessor") of the parcels described on Exhibit A attached hereto (the "Premises") under that certain Lease dated \_\_\_\_\_, 2005 (the "Lease") made with the Lessee hereby certifies as follows:

That the Lease is in full force and effect and has not been assigned, modified, supplemented or amended in any way other than as described herein and represents the entire agreement between the parties as to said leasing.

That the expiration date of the initial term of the Lease is \_\_\_\_\_, \_\_\_\_\_. The Lessee has the following rights to renew or extend the term of the Lease: \_\_\_\_\_.

That to the best of the Lessor's knowledge (i) there are no defaults by either the Lessee or the Lessor under the Lease, and (ii) no event has occurred or situation exists which would, with notice or the passage of time, constitute a default under the Lease.

That fixed annual rent in the amount of \$ \_\_\_\_\_ is payable during the first 5 years of the Lease Term, and such annual rent is subject to adjustment as provided in Article 3 of the Lease. All rent payable by the Lessee pursuant to the Lease has been paid through \_\_\_\_\_, 200\_.

That as of the date hereof there are no actions, whether voluntary or otherwise, pending against the Lessor as a debtor under the bankruptcy or insolvency laws of the United States or any state thereof.

That as of the date hereof there are no mortgages, liens, security interests or encumbrances against the Premises or the interest of the Lessor in the Lease. In the event any mortgages, liens, security interests or encumbrances are placed against the Premises or the interest of Lessor in the Lease, the instruments evidencing such mortgages, liens, security

interests or encumbrances shall provide that so long as Lessee (or its successors and assigns) is not in default beyond any applicable notice and cure periods under the Lease, then Lessee's possession and use of the Premises shall not be disturbed.

That upon the recording of the Mortgage, the Lessor hereby recognizes the Lender as a "Leasehold Mortgagee" for all purposes under Article 9 and elsewhere under the Lease and the Mortgage as a "Mortgage" pursuant to Article 9 of the Lease, and agrees that the Lender shall have all the rights under, and the Landlord shall be bound by and act in accordance with the provisions of, Article 9 of the Lease. Lessor hereby confirms that the Lender and any successor and assigns of the Lender, including, but not limited to a trustee in a securitization of the Loan or any other secondary mortgage market transaction (an "Assignee") will be recognized as a "Leasehold Mortgagee" for all purposes under the Lease. If the Lender or any Assignee, becomes the lessee under the Lease pursuant to a foreclosure, deed-in-lieu of foreclosure or otherwise, upon the request of the Lender or such Assignee, the Lessor will enter into a new ground lease, on substantially similar terms to those of the Lease, with the Lender or such Assignee.

That in connection with a total or partial casualty loss affecting any improvements on the Premises, the Lender shall be entitled to hold, supervise and control the receipt and disbursement of the insurance proceeds in accordance with the applicable provisions of the Mortgage.

That the Lessor agrees that no notice to the Lessee shall be valid unless the Lessor gives copies of such notice to the Lender and grants to the Lender an opportunity to cure such default, as provided in Article 9 of the Lease. The Lessor shall not exercise any remedy under the Lease prior to providing notice of the expiration of any applicable cure period to the Lender. Notwithstanding the foregoing, acceptance of the Lender's performance shall not waive the Lender's right to sue for a party's breach. All such notices shall be delivered to the Lender at the following address:

with a copy to:

That the Lessor shall not seek to enforce any rights it may have against the Lender for breach of the terms and provisions set forth in the Lease unless such rights result from the Lender's acts as (x) a mortgagee in possession or (y) the lessee under a new ground lease following a foreclosure proceeding, deed-in-lieu of foreclosure or other proceeding whereby the Lender succeeds to the Lessee's interest under the Lease.

That the Mortgage is not, and shall not become, subject or subordinate to any security instrument encumbering the fee estate of the Premises.

That if the Lessor transfers its interest in the Premises to another person or entity, any such successor to the Lessor shall be bound by the terms of the Lease and this Certificate.

That the Lessee is permitted to make the assignment of the Lessee's interest in the Lease to the Lender as security for the Loan and that the Lender and the Lessee shall be further permitted to assign such interest in the Lease to a trustee in any securitization or any other secondary mortgage market transaction.

That the Lender will make the Loan to Lessee in reliance upon, among other things, this Certificate; that this Certificate may be relied upon by the Lender and any Assignee; and that this Certificate will bind the Lessor and its successors in favor of the Lender and any such Assignee.

### PREMISES AND TERM

2.1 PREMISES: Subject to and with the benefit of the provisions of this Lease, Landlord leases to Tenant, and Tenant leases from Landlord, the Lot, located in the Park. The Lot and the Building, subject to the exclusions and provisions in this Lease, are sometimes referred to in this instrument as the "Property" or the "Premises".

2.1.1 Tenant shall have, as appurtenant to the Premises, the right to use in common with others entitled thereto, subject to reasonable rules of general applicability to tenants of the Park from time to time made by Landlord, of which Tenant is given notice, common facilities included in the Park, including use of parking or streets or walkways, as set forth below or subsequently designated by Landlord in an instrument common to the Park or in the Rules and Regulations, if and to the extent from time to time designated by Landlord.

2.1.3 Landlord may promulgate, and Tenant shall join in, a recordable document describing and prescribing the cross easements and accessways throughout the Park for the benefit of tenants in the Park and for the regulation of use by the public.

## ARTICLE 3

### CONSTRUCTION

3.1 DELIVERY OF PREMISES: Landlord is delivering and Tenant accepts, the Land and any and all appurtenances thereto, in "as is" condition. Tenant shall promptly construct and maintain a parking garage and related facilities on the Land, in size and design substantially as described on Exhibit C, or as otherwise as agreed in writing by Landlord. The plans, specifications, and design of the Building are subject to the consent of Landlord, which may be withheld or conditioned in Landlord's sole discretion; the parties agree and acknowledge that the

Building is integral to the construction and development of the Park, and must complement the entire Park development, which is subject to the guidance and development and determination of Landlord. If the Building is not substantially completed, with a certificate of occupancy, by 2008, then Landlord shall have the right to terminate this Lease. The construction of the Building shall be governed by and subject to the provisions of the Ground Lease, this Lease including but not limited to Section 3.5, and Rules and Regulations of the Park as may be promulgated from time to time.

3.2 ACCESS: Tenant shall indemnify and save Landlord harmless from and against any and all loss, liability, damage, cost and expense, including without limitation attorneys' fees and costs, claimed for or actually arising from, growing out of or related to any act, negligence or failure to act of Tenant or anyone entering the Premises or Building with Tenant's permission. The provisions of this Section shall survive the termination of this Lease.

3.3 GENERAL PROVISIONS APPLICABLE TO CONSTRUCTION: All construction work on the Lot required or permitted by this Lease, whether by Landlord or by Tenant, shall be done in a good and workmanlike manner and in compliance with all applicable laws and all lawful ordinances, regulations and orders of governmental authority and insurers of the Premises. Either party may inspect the work of the other at reasonable times and shall promptly give notice of observed defects. Landlord shall have no further obligation to fund or complete construction work once the Landlord's obligations contained in Section 3.1 have been fulfilled.

3.4 REPRESENTATIVES: Each party authorizes the other to rely in connection with their respective rights and obligations under this Article 3 upon approval and other actions on the party's behalf by Landlord's Representative in the case of Landlord or Tenant's Representative in the case of Tenant or by any person designated in substitution or addition by notice in writing to the relying party.

3.5 TENANT ALTERATIONS: Tenant shall not make any changes or alterations to the Premises without Landlord's prior written consent, and shall not in any event make unauthorized structural changes or additions to the Building or Premises or changes or additions to the heating, ventilating and air conditioning or other systems of the Building, consent to which may be withheld by Landlord in its sole discretion. Landlord may require Tenant to provide demolition and/or lien and completion bonds in form and amount satisfactory to Landlord. All Tenant alterations shall be accomplished in a good and workmanlike manner at Tenant's sole expense, in conformity with all Applicable Laws, by a licensed and bonded contractor approved in advance by Landlord, such approval not to be unreasonably withheld or delayed. Upon completion of any such work, Tenant shall provide Landlord with "as built" plans, copies of all construction contracts, and proof of payment for all labor and materials. Any Tenant alterations to the Premises made by or installed by either party hereto will remain upon and be surrendered with the Premises and become the property of Landlord upon the expiration or earlier termination of this Lease without credit to Tenant; provided, however, Landlord, at its option, may require Tenant to remove any additions and/or repair any alterations to restore the Premises to the condition existing at the time Tenant took possession, with all costs of removal or alterations to

be borne by Tenant. This clause will not apply to moveable equipment, furniture or moveable trade fixtures owned by Tenant if (a) such equipment, furniture and trade fixtures are not then subject to any other rights, liens and interests of Landlord, or (b) Tenant is not then in default.

3.6 NO LIENS: Tenant shall pay promptly, when due, the entire cost of any work done on the Premises by Tenant, its agent, employees or independent contractors. Tenant shall have no authority or power, express or implied, to create or cause any construction lien or mechanics' or materialmen's lien or claim of any kind against the Premises, the Property or any portion thereof or any interest of Landlord. Tenant will promptly cause any such liens or claims to be released by payment, bonding or otherwise within thirty (30) days after request by Landlord, and will indemnify Landlord against losses arising out of any such claim including, without limitation, legal fees and court costs. NOTICE IS HEREBY GIVEN THAT LANDLORD WILL NOT BE LIABLE FOR ANY LABOR, SERVICES OR MATERIAL FURNISHED OR TO BE FURNISHED TO TENANT, OR TO ANYONE HOLDING THE PREMISES THROUGH OR UNDER TENANT, AND THAT NO MECHANICS OR OTHER LIENS FOR ANY SUCH LABOR, SERVICES OR MATERIALS WILL ATTACH TO OR AFFECT THE INTEREST OF LANDLORD IN THE PREMISES. TENANT WILL DISCLOSE THE FOREGOING PROVISIONS TO ANY CONTRACTOR ENGAGED BY TENANT PROVIDING LABOR, SERVICES OR MATERIAL TO THE PREMISES. Landlord has the right, but not the obligation, to discharge any such lien. Any amount paid by Landlord for such purpose and Landlord's reasonable attorneys' fees shall be paid by Tenant to Landlord upon demand and shall accrue interest from the date paid by Landlord until Landlord is reimbursed therefor at the lesser of 15% per annum or the maximum legal rate. At Landlord's request Tenant shall execute a memorandum of lease containing these provisions in order to protect Landlord's estate against such liens.

#### ARTICLE 4

##### RENT

4.1 RENT: Tenant agrees to pay, without any offset or reduction whatever (except as made in accordance with the express provisions of this Lease), to Landlord fixed rent equal to one twelfth (1/12) of the annual installments of Base Rent in equal installments in advance on the first day of each calendar month of the Term, beginning on the first day of the first (1st) full calendar month of the Term. The Base Rent shall be applicable for the Term commencing on the Commencement Date (the "Rent Commencement Date"). Base Rent for a first or last partial month shall be prorated and the first or last Lease Year shall, if so applicable, be greater than 12 months. Tenant shall pay, with each payment of Rent, all sales and other applicable taxes which may be due or payable thereon.

##### 4.2 OPERATING COSTS AND TAXES:

4.2.1 As used in this Section, these words and terms shall have the following meanings:

(a) **"Operating Costs"** shall mean all costs incurred and expenditures made by Landlord in the operation and management of the Park, including management and maintenance of any parking facility, exclusive of financing expenses, as determined in accordance with generally accepted accounting principles. Operating Costs include, without limitation, cost of cleaning, security, janitorial service (including costs of materials and equipment); maintenance and repairs to the Premises and Park (including snow removal, landscaping, repair or replacement of any common area facilities, lighting, utilities, parking, accessways, and other Park areas and components); payments under all service contracts relating to the operation and maintenance of the Park; management fees; wages, salaries; benefits, payroll taxes and unemployment compensation insurance for employees of Landlord or any contractor of Landlord engaged in the cleaning, operation, maintenance or security of the Park; insurance relating to the Park; legal fees related to the management of tenants and operations of the Park; auditing expenses; any capital expenditure made by Landlord following the Commencement Date for the purpose of reducing other operating expenses or complying with any governmental requirement so long as such expenditure is amortized in accord with generally accepted accounting principles, provided however, that no other capital expenditure shall be deemed an Operating Cost for purposes hereof; payments other than Taxes (as hereinafter defined) (including, but not limited to, water and sewer charges, special assessments and other user fees), supplies and all other expenses incurred in connection with the operation of the Park

(b) **"Taxes"** shall mean all payments, all taxes, assessments and betterments levied, assessed or imposed by any governmental or regulatory authority upon or against the Park or payments in lieu thereof. If, at any time during the Term, any tax or excise on rents or other taxes, however described, are levied or assessed against Landlord with respect to the rent reserved hereunder, either wholly or partially in substitution for real estate taxes assessed or levied on the Property, or payments in lieu thereof, such tax or excise on rents shall be included in Taxes; however, Taxes shall not include franchise, estate, inheritance, succession, capital levy, transfer, income or excess profits taxes assessed on Landlord.

(c) **"Operating Cost Statement"** shall mean statements in writing signed by Landlord setting forth the amounts payable by Tenant for a specified calendar year or other computation period pursuant to this Section.

(d) **"Tax Statements"** shall mean statements in writing signed by Landlord setting forth the amounts payable by Tenant for a specified calendar year or other computation period pursuant to this Section.

(e) **"Tenant's Proportionate Share"** is agreed to be that shown in Article I. Tenant's Proportionate Share shall be subject to change from time to time as and if the gross rentable square footage of either the Lot or the Park changes.

4.2.2 Tenant shall pay to Landlord an amount equal to Tenant's Proportionate Share of the Taxes. Such amount or amounts shall be estimated by Landlord and due in monthly installments, together with Tenant's payments of Base Rent. At the end of each calendar year, Landlord shall compute the actual Taxes, and shall inform Tenant of the amount in the Tax

Statement. Tenant shall be given a credit against its payment of future Taxes for any overpayment of Taxes that shall have been paid up to the time of such statement. If Tenant has underpaid, then Tenant shall pay the balance due to Landlord within thirty (30) days of the date of the Tax Statement, unless the statement is rendered at the end of the Term, in which case any underpayment due Landlord will be paid by check at the time Tenant delivers the Premises to Landlord, and any overpayment due Tenant will be promptly refunded by Landlord. If this Lease shall commence or terminate in the middle of a calendar year, Tenant shall be liable for only that portion of the Taxes in respect of such calendar year represented by a fraction, the numerator of which is the number of days of the Term which fall within the calendar year and the denominator of which is three hundred sixty-five (365).

4.2.3 Tenant shall pay to Landlord an amount equal to Tenant's Proportionate Share of Operating Costs. Such amount or amounts shall be estimated by Landlord and due monthly, together with Tenant's payments of Base Rent. At the end of each calendar year, Landlord shall compute the actual Operating Costs, and shall inform Tenant of the amount in the Operating Cost Statement. Tenant shall be given a credit against its payment of future Operating Costs for any overpayment of Operating Costs that shall have been paid up to the time of such statement. If Tenant has underpaid, then Tenant shall pay the balance due to Landlord within thirty (30) days of the date of the Operating Cost Statement, unless the statement is rendered at the end of the Term, in which case any underpayment due Landlord will be paid by check at the time Tenant delivers the Premises to Landlord, and any overpayment due Tenant will be promptly refunded by Landlord. If this Lease shall commence or terminate in the middle of a calendar year, Tenant shall be liable for only that portion of the Operating Costs in respect of such calendar year represented by a fraction, the numerator of which is the number of days of the Term which fall within the calendar year and the denominator of which is three hundred sixty-five (365).

4.2.4 If, after Tenant shall have made any payment of Taxes to Landlord pursuant to this Section, Landlord shall receive a refund of any portion of Taxes paid by Tenant during the Term hereof as a result of abatement of such Taxes by legal proceedings, settlement or otherwise, Landlord shall pay or credit to Tenant the Tenant's share of the refund (less the proportional, pro rata expenses, including attorney's fees and appraiser's fees, incurred in connection with obtaining any such refund), as related to Taxes paid by Tenant to Landlord with respect to any portion of the Term for which a refund is obtained. Tenant shall have no right to seek or to control any abatement, dispute, or other proceedings with any governmental agency or entity.

4.2.5 Any disputes arising with respect to the amount of any payment due under this Section shall, upon request by either party, be finally determined by a court of competent jurisdiction in Miami-Dade County, Florida. Tenant shall pay all of its costs and expenses of litigation, and if said litigation determines that the amount stated in the Tax Statement or Operating Cost Statement is not more than ten percent (10%) above the Taxes or the Operating Costs, respectively, as billed to Tenant, Tenant shall also pay all of Landlord's costs and expenses of litigation, including, without limitation, the fees of experts and reasonable attorneys' fees. Any obligation of Tenant under this Section which shall not have been paid at the expiration of the Term shall survive such expiration and shall be paid when and as the amount of same shall be

determined together with interest thereon at the prime rate of interest then currently charged by Bank of America (or, if applicable, its successors) plus 2% from the date the sum was first due to Landlord.

4.2.6 The additional rent required to be paid by Tenant under this Section, together with the Base Rent and any other sums due Landlord under this Lease, is hereinafter collectively called the "Rent".

4.3 PAYMENTS: All payments of Rent shall be made to Managing Agent, or to such other person as Landlord may from time to time designate.

4.4 LATE CHARGES: If any Base Rent or other payment due under this Lease is not received by Landlord within ten (10) days of the due date of such payment, Tenant shall pay in addition to such payment a late charge equal to the greater of 5% of the payment which is past due or Two Hundred Fifty Dollars and No/100 (\$250.00). If any payment due from Tenant shall remain overdue for more than ten (10) days, interest shall accrue daily on the past due amount from the date such amount was due until paid or judgment is entered at a rate equivalent to the lesser of eighteen percent (18%) per annum or the highest rate permitted by law. Interest on the past due amount shall be in addition to and not in lieu of the five percent (5%) or \$250.00 late charge or any other remedy available to Landlord.

4.5 ELECTRICITY: Tenant shall pay for all electricity consumed in the Building and on the Lot. The consumption shall be measured by an independent meter installed specifically for the Building. The meter shall be in the name of Tenant, who shall have sole responsibility for paying this expense directly to the utility company. The consumption of electricity for undeveloped and common elements of the Park will be paid for by Landlord, and included in Operating Costs.

## ARTICLE 5

### LANDLORD'S WORK

5.1 LANDLORD'S WORK DURING THE TERM: Landlord shall maintain the common areas of the Park. Tenant shall be responsible for all maintenance of the Land and the Building.

5.2 QUIET ENJOYMENT: Landlord has the right to make this Lease and Tenant, on paying the rent and performing its obligations hereunder, shall peacefully and quietly have, hold and enjoy the Premises throughout the Term without any manner of hindrance or molestation from Landlord or anyone claiming under Landlord, subject, however, to all the terms and provisions hereof. Landlord shall not be liable to Tenant, which shall have no recourse against Landlord, by reason of interference with quiet enjoyment caused by other tenants.

5.3 INTERRUPTIONS:

5.3.1 Landlord shall not be liable to Tenant for any compensation or reduction of Rent by reason of inconvenience or annoyance or for loss of business arising from power losses or shortages or from the necessity of Landlord's entering the Premises for any of the purposes authorized in this Lease, or for repairing the Premises or any portion of the Property. In case Landlord is prevented or delayed from making any repairs, alterations or improvements, or furnishing any service or performing any other covenant or duty to be performed on Landlord's part, if any, by reason of any cause reasonably beyond Landlord's control, Landlord shall not be liable to Tenant therefore, nor shall Tenant be entitled to any abatement or reduction of rent by reason thereof, nor shall the same give rise to a claim in Tenant's favor that such failure constitutes actual or constructive, total or partial, eviction from the Premises.

5.3.2 Landlord reserves the right to stop any service or utility system, whether in the Park or the Premises, when necessary by reason of accident or emergency or until necessary repairs have been completed. Except in case of emergency repairs, Landlord will give Tenant reasonable advance notice of any contemplated stoppage and will use reasonable efforts to avoid unnecessary inconvenience to Tenant by reason thereof.

## ARTICLE 6

### TENANT'S COVENANTS

6.1 TENANT'S COVENANTS DURING THE TERM: Tenant covenants during the Term and such further time as Tenant occupies any part of the Premises, to do and perform the following matters.

6.1.1 Tenant's Payments: Tenant shall pay, when due, (a) all Base Rent and additional rent, (b) all taxes which may be imposed on the Building or on Tenant's personal property in the Premises (including, without limitation, Tenant's (or anyone holding under Tenant) fixtures and equipment) regardless to whomever assessed, (c) all charges for telephone, electricity and other utility services (including service inspections therefore) rendered to the Premises and separately metered or billed to Tenant, and (d) as additional rent, all charges of Landlord rendered pursuant to Section 4.2 hereof and any other sums due Landlord pursuant to this Lease.

6.1.2 Repairs and Yielding Up: Tenant shall construct the Building as agreed with Landlord, and shall keep the Premises in good order, repair and condition, reasonable wear only excepted; at the expiration or termination of this Lease, Tenant shall peaceably yield up the Premises, including the Building, and all changes and additions therein in such order, repair and condition. Subject to the provisions of Section 3.5, Tenant shall remove all personal property of Tenant or those holding under Tenant, and any items required to be removed by Landlord pursuant to Section 3.5 or otherwise, repairing all damage caused by such removal and restoring the Premises and leaving them clean and neat. Any property remaining on the Premises may, at Landlord's discretion, be removed, destroyed, sold, stored or otherwise disposed of at Tenant's cost.

6.1.3 Occupancy and Use: Tenant shall, continuously from the Commencement Date, use and occupy the Premises only for the Permitted Use, and shall not injure or deface the Premises or Property, and shall not permit in the Premises any auction, sale, nuisance or the emission from the Premises of any objectionable noise or odor, nor any use which is improper, offensive, contrary to law or ordinances, or liable to invalidate or increase the premiums for any insurance on the Building or its contents or liable to render necessary any alteration or addition to the Building, nor cause the violation of any laws, ordinances, building codes, rules or regulations, any order or judgment, permit or license, of any federal, state or local governmental or regulatory entity having jurisdiction over or application to the Property, including but not limited to the Board of Fire Underwriters (including compliance with the National Fire Code Bulletins, NFPA 30 (the Flammable and Combustible Liquids Code) and NFPA 45 (the standard for Fire Protection in Laboratories using Chemicals)) and the Americans with Disabilities Act and all regulations and orders promulgated to such act (collectively, "Applicable Laws"); Tenant warrants that all improvements or alterations of the Premises made by Tenant or Tenant's employees, agents or contractors, either prior to Tenant's occupancy of the Premises or at any time during the term of this Lease, will comply with all Applicable Laws. Tenant will procure at its own expense, and maintain in full force and effect during the Term hereof, all permits and licenses required for the transaction of its business in the Premises.

6.1.4 Hazardous Materials: Throughout the Term, Tenant shall prevent the presence, use, generation, release, discharge, storage, disposal, or transportation of any Hazardous Materials (as hereinafter defined) on, under, in, above, to, or from the Premises other than in strict compliance with Applicable Laws. For purposes of this provision, the term "Hazardous Materials" will mean and refer to any wastes, materials, or other substances of any kind or character that are or become regulated as hazardous or toxic waste or substances, or which require special handling or treatment, under any Applicable Laws. If Tenant's activities at the Premises or Tenant's use of the Premises (a) results in a release of Hazardous Materials that is not in compliance with Applicable Laws or permits issued thereunder; (b) gives rise to any claim or requires a response under common law or Applicable Laws or permits issued thereunder; (c) causes a significant public health effect; or (d) creates a nuisance, then Tenant shall, at its sole cost and expense: (i) immediately provide verbal notice thereof to Landlord as well as notice to Landlord in the manner required by this Lease, which notice shall identify the Hazardous Materials involved and the emergency procedures taken or to be taken; and (ii) promptly take all action in response to such situation required by Applicable Laws, provided that Tenant shall first obtain Landlord's approval of the remediation plan to be undertaken.

6.1.5 Rules and Regulations: Tenant shall comply with the Rules and Regulations set forth in Exhibit B and all other reasonable Rules and Regulations hereafter made by Landlord, of which Tenant shall have been notified, for the care and use of the Property.

6.1.6 Safety Appliances: Tenant shall keep the Premises equipped with all safety appliances required by law or ordinance or any other regulation of any public authority because of any use made by Tenant and to procure all licenses and permits so required and, if requested by Landlord, shall do any work so required because of such use, it being understood that the foregoing provisions shall not be construed to broaden in any way Tenant's Permitted Use.

6.1.7 Assignment and Subletting: Tenant shall not, without the prior written consent of Landlord, assign this lease, make any sublease or permit occupancy of the Premises or any part thereof by anyone other than Tenant, voluntarily or by operation of law (it being understood that Landlord shall not unreasonably withhold or delay its consent herein required) other than as described on Exhibit B. Tenant shall reimburse Landlord promptly for reasonable legal and other expenses incurred by Landlord in connection with any request by Tenant for consent to assignment or subletting. No consent by Landlord shall affect the continuing liability of Tenant (which, following assignment, shall be joint and several with the assignee or subtenant), and no consent to any of the foregoing in a specific instance shall operate as a waiver in any subsequent instance. Any permitted assignee, subtenant or other occupant must deliver a written instrument to Landlord, in form and substance reasonably satisfactory to Landlord, by which such assignee, subtenant or other occupant agrees to be bound by and assume all obligations of Tenant under this Lease relating to the portion of the Premises acquired by such assignee, subtenant or other occupant. Any attempted assignment, subleasing or other occupancy not approved by Landlord as required by this Subsection 6.1.7 shall be void and a default under this Lease; any net income (after commercially reasonable brokerage fees and out of pocket costs of leasing) which is payable to Tenant in connection with such subleasing or assignment or occupancy, in excess of the sums due Landlord by Tenant under this Lease, shall be payable one-half to Landlord, and one-half may be retained by Tenant. All subleases shall comply with and be subject to this Lease and the Ground Lease, and all sublessees shall, by executing the subject subleases, assume all obligations under the Ground Lease, as they apply to the Premises.

6.1.8 Tenant Leases: Tenant Leases shall be substantially in a form approved by Landlord, which shall not unreasonably withhold or delay its approval of such forms. Modifications of such forms shall be subject to approval by Landlord, and shall be in compliance with the Ground Lease and the Rules and Regulations for the Park.

6.1.9 Landlord's Costs: In case Landlord shall, without any fault on its part, be made party to any litigation commenced by or against Tenant or by or against any parties in possession of the Premises or any part thereof claiming under Tenant, Tenant shall pay, as additional rent, all costs including, without implied limitation, reasonable attorneys' fees incurred by or imposed upon Landlord in connection with such litigation and, as additional rent, shall also pay all such costs and fees incurred by Landlord for any obligations of Tenant under this Lease.

6.1.10 Tenant's Property: The Building and all the furnishings, fixtures, equipment, effects and property of every kind, nature and description of Tenant and of all persons claiming by, through or under Tenant which, during the continuance of this Lease or any occupancy of the Premises by Tenant or anyone claiming under Tenant, may be on the Premises or elsewhere in the Property shall be at the sole risk and hazard of Tenant, and if the whole or any part thereof shall be destroyed or damaged by fire, water or otherwise, or by leakage or bursting of water pipes, steam pipes, or other pipes, by theft or from any other cause, no part of said loss or damage is to be charged to or to be borne by Landlord unless located off the Premises and due to the willful act or gross negligence of Landlord.

6.1.11 Holdover: Tenant shall pay to Landlord twice the total of the Base Rent and additional rent\* then applicable for each month or portion thereof, in the event that Tenant shall retain possession of the Premises or any part thereof after the termination of this Lease, whether by lapse of time or otherwise, and shall also pay all damages sustained by Landlord on account thereof. The provisions of this Subsection shall not operate as a waiver by Landlord of any right of re-entry provided in this Lease, at the option of Landlord exercised by written notice given to Tenant while such holding over continues. Such holding over shall, at Landlord's option, exercised by written notice at any time during the holding over, constitute an extension of this Lease for a period of one (1) year.

## ARTICLE 7

### CASUALTY AND TAKING

7.1 CASUALTY AND TAKING: In case during the Term all or any substantial part of the Premises, are damaged materially by fire or any other cause, then Landlord may, at its option, terminate this Lease. In case during the Term all or any substantial part of the Premises shall be taken by eminent domain, then Landlord may terminate this Lease by notice in writing to Tenant, effective as of the date of actual physical taking of possession under such taking. If in any such case the Premises are rendered unfit for use and occupation and the Lease is not so terminated, Landlord shall use due diligence to put the Premises, or, in the case of taking, what may remain thereof (excluding any items installed or paid for by Tenant, which Tenant may be required or permitted to remove), into proper condition for use and occupation (as originally delivered to Tenant, without the Tenant buildouts that may have been furnished by Tenant) to the extent permitted by the net award of insurance or damages and applicable laws then in effect and a just proportion of the Base Rent and additional rent according to the nature and extent of the injury shall be abated until the Premises or such remainder shall have been substantially completed by Landlord in such condition, and in case of a taking which permanently reduces the area of the Premises, a just proportion of the Base Rent and additional rent shall be abated for the remainder of the Term and an appropriate adjustment shall be made to the annual estimated Operating Costs.

7.2 RESERVATION OF AWARD: Landlord reserves to itself any and all rights to receive awards made for damages to the Premises and the leasehold hereby created, or any one or more of them, accruing by reason of exercise of eminent domain or by reason of anything lawfully done in pursuance of public or other authority. Tenant hereby releases and assigns to Landlord all Tenant's rights to such awards, and covenants to deliver such further assignments and assurances thereof as Landlord may from time to time request, hereby irrevocably designating and appointing Landlord as its attorney-in-fact to execute and deliver in Tenant's name, it being agreed and understood, however, that Landlord does not reserve to itself and Tenant does not assign to Landlord any damages payable for (i) movable trade fixtures installed by Tenant or anybody claiming under Tenant, at its own expense, or (ii) relocation expenses recoverable by Tenant from such authority in a separate action.

## ARTICLE 8

### RIGHTS OF MORTGAGEE

8.1 PRIORITY OF LEASE: Landlord or any mortgagee of Landlord, from time to time, shall have the option to subordinate this Lease to any mortgage or deed of trust (a "Mortgage") of the Premises or Park or both (the "Mortgaged Premises"), provided that the holder thereof ("Mortgagee") agrees in writing to recognize the rights of Tenant under this Lease and to accept Tenant as a tenant of the Premises (so long as it is not in default) under the terms and conditions of this Lease in the event of acquisition of title by such holder through foreclosure proceedings or otherwise; Tenant agrees to recognize Mortgagee as Landlord in such event. The provisions of this Section 8.1 shall bind and inure to the benefit of the successors and assigns of Tenant and of Mortgagee and upon anyone purchasing the Mortgaged Premises at any foreclosure sale or otherwise. Any such Mortgage to which this Lease shall be subordinated may contain such terms, provisions and conditions as the Mortgagee deems usual or customary.

8.2 LIMITATION ON MORTGAGEE'S LIABILITY: Upon entry and taking possession of the Mortgaged Premises for any purpose other than foreclosure, Mortgagee shall have all rights of Landlord and, during the period of such possession, the duty to perform all Landlord's obligations hereunder. Except during such period of possession, no such holder shall be liable, either as mortgagee or as holder of a collateral assignment of this Lease, to perform or be liable in damages for failure to perform, any of the obligations of Landlord, unless and until such holder shall enter and take possession of the Mortgaged Premises for the purpose of foreclosing a Mortgage. Upon entry for the purpose of foreclosing a Mortgage, such holder shall be liable to perform all of the obligations of Landlord, subject to the provisions of Section 3.3, provided that a discontinuance of any foreclosure proceeding shall be deemed a conveyance under the provisions of Section 10.3 to the owner of the equity of the mortgaged premises. In no event, however, shall the holder of a mortgage on the Lot and/or the Building have any duty to perform or liability with respect to Landlord's obligations under this Lease unless and until such holder acquires title to the Lot and/or Building through foreclosure or otherwise, and if such holder does so acquire title, in no event shall such holder have any duty to perform or any liability with respect to Landlord's obligations or any fact, circumstance or condition existing, arising or accruing before such acquisition of title.

8.3 MORTGAGEE'S ELECTION: Notwithstanding any other provisions to the contrary contained in this Lease, if prior to substantial completion of Landlord's obligations under Article 3, any holder of a first mortgage on the mortgaged premises enters and takes possession thereof for the purpose of foreclosing the Mortgage, such holder may elect, by written notice given to Tenant and Landlord at any time within ninety (90) days after such entry and taking of possession, not to perform Landlord's obligations under Article 3, and in such event such holder and all persons claiming under it shall be relieved of all obligations to perform and all liability for failure to perform said Landlord's obligations under Article 3, in which event Tenant may terminate this Lease and all its obligations hereunder by written notice to Landlord and such holder given within thirty (30) days after the day on which such holder shall have given its notice as aforesaid.

8.4 NO PREPAYMENT OR MODIFICATION: No Base Rent, additional rent, or any other charge shall be paid more than thirty (30) days prior to the due dates thereof, and payments made in violation of this provision shall (except to the extent that such payments are actually received by a mortgagee in possession or in the process of foreclosing its mortgage) be a nullity as against such mortgagee, and Tenant shall be liable for the amount of such payments to such mortgagee. No assignment of this Lease and no agreement to make or accept any surrender, termination or cancellation of this Lease and no agreement to modify so as to reduce the rent, change the Term or otherwise materially change the rights of Landlord or holder of a mortgage affecting the Premises under this Lease, or to relieve Tenant of any obligations or liability under this Lease, shall be valid, unless consented to in writing by Landlord's mortgagees of record, if any.

8.5 NO RELEASE OR TERMINATION: No act or failure to act on the part of Landlord which would entitle Tenant under the terms of this Lease, or by law, to be relieved of Tenant's obligations hereunder or to terminate this Lease, shall result in a release or termination of such obligations or a termination of this Lease unless (i) Tenant shall have first given written notice of Landlord's act or failure to act to Landlord's Mortgagees of record, if any, specifying the act or failure to act on the part of Landlord which could or would give basis to Tenant's rights, and (ii) such Mortgagees, after receipt of such notice, shall have failed or refused to correct or cure the condition complained of within a reasonable time thereafter, but nothing contained in this Section 8.5 shall be deemed to impose any obligation on any such Mortgagee to correct or cure any such condition. "Reasonable time" as used above means and includes a reasonable time to obtain possession of the Mortgaged Premises if the Mortgagee elects to do so and a reasonable time to correct or cure the condition if such condition is determined to exist.

8.6 CONTINUING OFFER: The covenants and agreements contained in this Lease with respect to the rights, powers and benefits of a mortgagee (particularly, without limitation thereby, the covenants and agreements contained in this Article 8) constitute a continuing offer to any person, corporation or other entity, which by accepting or requiring an assignment of this Lease or by entry or foreclosure assumes the obligations herein set forth with respect to such Mortgagee, subject to the provisions of Section 8.3, such Mortgagee being hereby constituted a party to this Lease as an obligee hereunder subject to the provisions of Section 8.3 to the same extent as though its name was written hereon as such, and such Mortgagee shall be entitled to enforce such provisions in its own name. Tenant agrees on request of Landlord to execute and deliver from time to time any agreement which may reasonably be deemed necessary to implement the provisions of this Article 8.

8.7 MORTGAGEE'S APPROVAL: Landlord's obligation to perform its covenants and agreements hereunder is subject to the condition precedent that this Lease be approved by the holder of any mortgage of which the Premises are a part and by the user of any commitment to make a Mortgage loan which is in effect on the date hereof. Unless Landlord gives Tenant written notice within fifteen (15) business days after the Effective Date that such holder or issuer, or both, disapproves or has not approved this Lease, then this condition shall be deemed to have

been satisfied or waived and the provisions of this Section 8.7 shall be of no further force or effect.

8.8 SUCCESSORS OF MORTGAGEE: All of the rights and privileges of the holders of mortgages on the Lot and/or Building set forth in this Article 8 shall inure to the benefit of any such holders and their respective successors and assigns, including without limitation where applicable any purchases at foreclosure and other parties claiming title by, through or under any such holders. Where reference is made herein to foreclosure, the same rights and privileges for any such holder shall arise and the same results shall obtain if such holder instead acquires title through deed in lieu of foreclosure or otherwise.

## ARTICLE 9

### DEFAULT

9.1 EVENTS OF DEFAULT: The occurrence of any of the following shall be deemed to be an event of default under this Lease: if any default by Tenant continues after notice, in the case of Base Rent or any additional rent, for more than ten (10) days, or in any other case for more than thirty (30) days and such additional time, if any, as is reasonably necessary to cure the default (if the default is of such a nature that it is curable but cannot reasonably be cured in thirty (30) days, Tenant has the obligation to commence to cure the default within thirty (30) days, and thereafter diligently and continuously to prosecute such cure to completion), or if Tenant or any Guarantor makes any assignment for the benefit of creditors, commits any act of bankruptcy or files a petition under any bankruptcy or insolvency law, or if such a petition is filed against Tenant or any Guarantor and is not dismissed within forty-five (45) days, or if a receiver or similar officer becomes entitled to Tenant's leasehold hereunder and it is not returned to Tenant within forty-five (45) days, or if such leasehold is taken on execution or other process of law in any action against Tenant. In the event of any default under this Lease by Tenant, then without prejudice to any other rights which it has pursuant to this Lease or at law or in equity, Landlord shall have the following rights and remedies, which are cumulative and not alternative.

9.1.1 Landlord may cancel this Lease by notice to Tenant and retake possession of the Premises for Landlord's account, or Landlord may terminate Tenant's right of possession of the Premises. Tenant shall then quit and surrender the Premises to Landlord. Tenant's liability under all of the provisions of this Lease shall continue notwithstanding any expiration and surrender, or any re-entry, repossession, or disposition hereunder, including to the extent legally permissible, payment of all Rent and other charges until the date this Lease would have expired had such cancellation or termination not occurred. If Landlord so elects, Rent shall be accelerated and Tenant shall pay Landlord damages in the amount of any and all sums which would have been due for the remainder of the Term, subject to the provisions of Section 9.1.5 below.

9.1.2 Landlord may enter the Premises as agent of Tenant to take possession of any property of Tenant on the Premises, to store such property at the expense and risk of Tenant or to sell or otherwise dispose of such property in such manner as Landlord may see fit without notice to, and at the expense and risk of, Tenant. Re-entry and removal may be effectuated by

summary dispossession proceedings, by any suitable action or proceeding, or otherwise. Landlord shall not be liable in any way in connection with its actions pursuant to this section, to the extent that its actions are in accordance with Applicable Laws.

9.1.3 Landlord may relet all or any part of the Premises for all or any part of the unexpired portion of the Term of this Lease or for any longer period, and may accept any rent then attainable; grant any concessions of rent, and agree to paint or make any special repairs, alterations, and decorations for any new Tenant as it may deem advisable in its sole and absolute discretion. Landlord shall be under no obligation to relet or to attempt to relet the Premises.

9.1.4 Landlord may remedy or attempt to remedy any default of Tenant under this Lease for the account of Tenant and may enter upon the Premises for such purposes. No notice of Landlord's intention to perform such covenants need be given to Tenant unless expressly required by this Lease. Landlord shall not be liable to Tenant for any loss or damage caused by acts of Landlord in remedying or attempting to remedy such default and Tenant shall pay to Landlord all expenses incurred by Landlord in connection with remedying or attempting to remedy such default. Any expenses incurred by Landlord shall accrue interest at the highest rate permitted by law from the date of payment by Landlord until repaid by Tenant.

9.1.5 In calculating the amounts to be paid by Tenant to Landlord pursuant to this Section 9, Tenant shall be credited with the net proceeds of any rents obtained by Landlord by reletting the Premises, after deducting all Landlord's expenses in connection with such reletting, including, without limitation, all repossession costs, brokerage commissions, and fees for legal services. It is agreed by Tenant that Landlord may (i) relet the Premises or any part or part thereof of a term or terms which may, at Landlord's option, be equal to or less than or greater than the period which would otherwise have constituted the balance of the Term and may grant such concessions and free rent as Landlord, in its sole judgment, considers advisable or necessary to relet the same, and (ii) make such alterations, repairs and decorations in the Premises as Landlord, in its sole judgment, considers advisable or necessary to relet the same, and no action of Landlord in accordance with the foregoing or failure to relet or to collect rent under reletting shall operate or be construed to release or reduce Tenant's liability as aforesaid.

9.1.6 So long as at least twelve (12) months of the Term remain unexpired at the time of such termination of this Lease or of Tenant's right of possession, in lieu of any other damages or indemnity and in lieu of full recovery by Landlord of all sums payable under all the foregoing provisions of this Section 9.1, Landlord may by written notice to Tenant, at any time after this Lease is terminated under any of the provisions contained in this Section 9.1 or as otherwise terminated for breach of any obligation of Tenant and before such full recovery, elect to recover and Tenant shall thereupon pay, as liquidated damages an amount equal to the aggregate of the Base Rent and additional rent accrued in the twelve (12) months ended next prior to such termination, plus the amount of Base Rent and additional rent of any kind accrued and unpaid at the time of termination and less the amount of any recovery by Landlord under the foregoing provisions of this Section 9.1 up to the time of payment of such liquidated damages.

9.1.7 Nothing contained in this Lease shall, however, limit or prejudice the right of Landlord to prove and obtain in proceedings for bankruptcy or insolvency by reason of the termination of this Lease, an amount equal to the maximum allowed by any statute or rule of law in effect at the time when, and governing the proceedings in which, the damages are to be proved, whether or not the amount be greater, equal to or less than the amount of the loss or damages referred to above.

9.2 COSTS: Tenant shall pay to Landlord on demand all costs incurred by Landlord, including attorneys' fees and costs at all tribunal levels, incurred by Landlord in enforcing any of the obligations of Tenant under this Lease. In addition, upon any default by Tenant, Tenant shall also be liable to Landlord for the expenses to which Landlord may be put in re-entering the Premises, reletting the Premises (including attorneys' fees and disbursements, marshal's fees, and brokerage fees, in so doing), and any other expenses reasonably incurred by Landlord.

9.3 WAIVER: No delay or omission by Landlord in exercising a right or remedy shall exhaust or impair the same or constitute a waiver of, or acquiescence to, a default.

## ARTICLE 10

### MISCELLANEOUS

10.1 INTERPRETATION: The titles of the Articles and Sections are for convenience and are not to be considered in construing this Lease. Whenever required by the context of this Lease, the singular shall include the plural and the plural shall include the singular. The masculine, feminine and neuter genders shall each include the other. In any provision relating to the conduct, acts or omissions of Tenant the term "Tenant" shall include Tenant's agents, employees, contractors, invitees, successors or others using the Premises, Building or Property with Tenant's expressed or implied permission.

10.2 NOTICE: Any notice, approval, consent, request, or election required or permitted to be given or made pursuant to this Lease shall be addressed, if to Landlord, at Landlord's address or at such other address as may have been specified by prior notice to Tenant, and if to Tenant, at the Premises or Tenant's address or at such other place as may have been specified by prior notice to Landlord. Any communication so addressed shall be deemed duly served if personally delivered or sent by nationally recognized overnight delivery service.

10.3 LANDLORD'S LIABILITY; CERTAIN DUTIES: The obligations of this Lease shall run with the land, and this Lease shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assignees, except that the Landlord named herein and each successive owner of the Premises shall be liable only for the obligations accruing during the period of its ownership. Neither the Landlord named herein nor any successive owner of the Premises, whether an individual, trust, a corporation or otherwise shall have any personal liability related to this Lease beyond their equity interest in the Premises, and Tenant agrees that it shall look solely to such equity interest then-owned by Landlord for collection of any judgment or any other judicial process requiring the payment of money. Whenever the Premises are owned by a

trustee or trustees, the obligations of Landlord shall be binding upon Landlord's trust estate, but not upon any trustee, beneficiary or shareholder of the trust individually. Any Landlord who transfers its title or interest is relieved of all liability with respect to the obligations of Landlord under this Lease to be performed on or after the date of transfer, provided that such transfer is not for the primary purpose of avoiding such obligations. However, each Landlord shall deliver to its transferee all funds previously paid by Tenant if such funds have not yet been applied under the terms of this Lease. Landlord shall not be in default under this Lease unless Landlord (or such ground lessor, mortgagee or beneficiary) fails to cure or diligently pursue a cure of any nonperformance within thirty (30) days after receipt of Tenant's written notice or such longer time as is reasonably necessary, provided that such cure is commenced within such thirty (30) day period and thereafter pursued with reasonable diligence.

10.4 NO SURRENDER: The delivery of keys to any employee of Landlord or to Landlord's agent or any employee thereof shall not operate as a termination of this Lease or a surrender of the Premises.

10.5 NO WAIVER: The failure of Landlord or of Tenant to seek redress for violation of, or to insist upon the strict performance of, any covenant or condition of this Lease shall not be deemed a waiver of such violation nor prevent a subsequent act which would have originally constituted a violation, from having all the force and effect of an original violation, nor shall the failure of Landlord to enforce any Rules and Regulations against Tenant or any other tenant in the Building be deemed a waiver of any such Rules and Regulations. The receipt by Landlord of Base Rent or additional rent with knowledge of the breach of any covenant of this Lease shall not be deemed a waiver of such breach by Landlord, unless such waiver be in writing signed by Landlord. No consent or waiver, express or implied, by Landlord or Tenant to or of any breach of any agreement or duty shall be construed as a waiver or consent to or of any other breach of the same or any other agreement or duty.

10.6 NO ACCORD AND SATISFACTION: No acceptance by Landlord of a lesser sum than the Base Rent and additional rent then due shall be deemed to be other than on account of the earlier installment of such rent due, nor shall any endorsement or statement on any check or letter accompanying any check or payment as rent be deemed as accord and satisfaction and Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance of such installment or pursue any other remedy in this Lease provided. All waivers must be in writing and signed by the waiving party. Landlord's failure to enforce any provision of this Lease or its acceptance of Rent shall not be a waiver and shall not prevent Landlord from enforcing that provision or any other provision of this Lease in the future.

10.7 CUMULATIVE REMEDIES: The specific remedies to which Landlord may resort under the terms of this Lease are cumulative and are not intended to be exclusive of any other remedies or means of redress to which it may be lawfully entitled in case of any breach or threatened breach by Tenant of any provisions of this Lease. In addition to the other remedies provided in this Lease, Landlord shall be entitled to the restraint by injunction of the violation or attempted or threatened violation of any of the covenants, conditions or provisions of this Lease or to a decree compelling specific performance of any such covenant, conditions or provisions.

10.8 PARTIAL INVALIDITY: If any term of this Lease, or the application thereof to any person or circumstances shall to any extent be invalid or unenforceable, the remainder of this Lease, or the application of such term to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each term of this Lease shall be valid and enforceable to the fullest extent permitted by law.

10.9 LANDLORD'S RIGHT TO CURE: If Tenant shall at any time default in the performance of any obligation under this Lease, Landlord shall have the right, but not the obligation, to enter upon the Premises and to perform such obligation, notwithstanding the fact that no specific provision for such substituted performance by Landlord is made in this Lease with respect to such default. In performing such obligation, Landlord may make any payment of money or perform any other act. All sums so paid by Landlord (together with interest at the rate of 4% per annum in excess of the then prime rate of interest then currently charged by Bank of America (or, if applicable, its successors) and all necessary incidental costs and expenses in connection with the performance of any such act by Landlord, shall be deemed to be additional rent under this Lease and shall be payable to Landlord immediately upon demand. Landlord may exercise the foregoing rights without waiving any other of its rights or releasing Tenant from any of its obligations under this Lease.

10.10 ESTOPPEL CERTIFICATE: Tenant agrees on the Commencement Date, and from time to time thereafter upon not less than fifteen (15) days prior written request by Landlord, to execute, acknowledge and deliver to Landlord a written statement in form requested by Landlord, certifying that this Lease is unmodified and in full force and effect; that Tenant has no defenses, offsets or counterclaims against its obligations to pay the Base Rent and additional rent and to perform its other covenants under this Lease; that there are no uncured defaults of Landlord or Tenant under this Lease (or, if there have been any modifications, that this Lease is in full force and effect as modified and stating the modifications and, if there are any defenses, offsets, counterclaims or defaults, setting them forth in reasonable detail), and the dates to which the Base Rent, additional rent and other charges have been paid. Any such statement delivered pursuant to this Section 10.10 may be relied upon by any prospective purchaser or mortgagee of the Property or any prospective assignee of any such mortgagee.

10.11 FORCE MAJEURE: In any case where either party hereto is required to do any act (other than the payment of rent or other monies hereunder), delays caused by or resulting from war, civil commotion, fire, flood, other casualty, labor difficulties, shortages or other unavailability of labor, materials, equipment, energy or utility services, governmental regulations, unusually severe weather, Act of God or other causes beyond such party's reasonable control (but not the inability to pay money), shall not be counted in determining the time during which such act must be completed, and such time shall be deemed extended by such delay. In no event, however, shall the foregoing excuse the late payment of rent or any other monies due hereunder nor extend the time therefore.

10.12 WAIVER OF TRIAL BY JURY AND COUNTERCLAIMS; MEDIATION: LANDLORD AND TENANT EACH HEREBY WAIVE TRIAL BY JURY IN ANY ACTION,

PROCEEDING OR COUNTERCLAIM BROUGHT BY EITHER OF THE PARTIES HERETO AGAINST THE OTHER ON ANY MATTER WHATSOEVER ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS LEASE. TENANT FURTHER AGREES THAT IT SHALL NOT INTERPOSE ANY COUNTERCLAIM OR COUNTERCLAIMS (EXCEPT COMPULSORY COUNTERCLAIMS) IN ANY SUMMARY PROCEEDING OR IN ANY ACTION BASED UPON NONPAYMENT OF RENT OR ANY OTHER PAYMENT REQUIRED BY TENANT UNDER THIS LEASE. UPON LANDLORD'S REQUEST, TENANT SHALL PARTICIPATE IN MEDIATION OF A DISPUTE BETWEEN LANDLORD AND TENANT; THE COST OF A MEDIATOR SHALL BE BORNE EQUALLY BY LANDLORD AND TENANT.

10.13 RADON GAS NOTICE: Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county public health unit.

10.14 ATTORNEYS' FEES: Wherever provision is made in this Lease for attorneys' fees, such term shall be deemed to include accountants' and attorneys' (including paralegals' and similar persons) fees and costs, whether or not litigation is commenced, including those for appellate, bankruptcy, probate, arbitration, mediation and collections proceedings.

10.15 LANDLORD'S ACCESS: Landlord shall be entitled at all reasonable times and upon reasonable notice (but no notice is required in emergencies) to enter the Premises to examine them and to make such repairs, alterations, or improvements thereto as Landlord considers necessary or reasonably desirable. Tenant shall not unduly obstruct any pipes, conduits, or mechanical or other electrical equipment so as to prevent reasonable access thereto. Landlord shall exercise its rights under this section, to the extent possible in the circumstances, in such manner so as to minimize interference with Tenant's use and enjoyment of the Premises. Landlord and its agents have the right to enter the Premises at all reasonable times and upon reasonable notice to show them to prospective purchasers, lenders, or anyone having a prospective interest in the Building, and, during the last six months of the Term or any renewal thereof, to show them to prospective tenants. Landlord may place customary "For Sale" or "For Lease" signs on the Premises, Building or Property as Landlord deems necessary.

10.16 LANDLORD'S LIEN: Landlord shall have, and Tenant grants to Landlord, a security interest in any furnishings, equipment, fixtures, inventory, accounts receivable, licenses and other personal property of any kind belonging to Tenant, or the equity of Tenant in such items, on the Premises or elsewhere. Such security interest is granted for the purposes of securing the payment of Rent and other charges, assessments, penalties, and damages required under this Lease to be paid by Tenant, and of securing the performance of all other obligations of Tenant under this Lease. The provision for a landlord's lien as described in this Section shall be in addition to, and not in substitution for, any landlord's lien and similar remedies otherwise provided by statutory or common law. Upon Tenant's default or breach of any terms and conditions of this Lease, Landlord shall have all remedies available under applicable law, including, without

limitation, the right to take possession of any or all of Tenant's property and dispose of them by public or private sale in a commercially reasonable manner, or if determined by Landlord in its discretion, to store or to dispose of them without sale.

10.16.1 Landlord shall also have the right to relinquish possession of all or any portion of such furniture, fixtures, equipment and other property of Tenant to any person ("Claimant") claiming to be entitled to possession thereof who presents to Landlord a copy of any instruments represented to Landlord by Claimant to have been executed by Tenant (or any predecessor of Tenant) granting Claimant the right under various circumstances to take possession of such furniture, fixtures, equipment or other property, without the necessity on the part of Landlord to inquire into the authenticity of said instrument's copy of Tenant's or Tenant's predecessor's signature thereon and without the necessity of Landlord making any nature of investigation or inquiry as to the validity of the factual or legal basis upon which Claimant purports to act; and Tenant agrees to indemnify and hold Landlord harmless from all cost, expense, loss, damage and liability incident to Landlord's relinquishment of possession of all or any portion of such furniture, fixtures, equipment or other property to Claimant.

10.16.2 To the extent, if any, that this Lease grants Landlord any lien or lien rights greater than provided by the laws of the State of Florida pertaining to landlord's liens, this Lease is intended as and constitutes a security agreement within the meaning of the Uniform Commercial Code as enacted in Florida (the "Uniform Commercial Code"). Landlord, in addition to the rights prescribed in this Lease, shall have a Security Interest, as that term is defined under the Uniform Commercial Code, in the items referred to in this Section 10.16 to secure the payment to Landlord of the various amounts provided for in this Lease. Tenant agrees to and shall execute and deliver to Landlord such financing statements and such further assurances as Landlord may, from time to time, consider necessary to create, perfect, and preserve the lien described and all additions, substitutions, replacements, and accessions thereto, and all proceeds of its or their sale or other disposition (under the Uniform Commercial Code, other statutory provisions, or otherwise). Landlord, at the expense of Tenant, may cause such financing statements and assurances to be recorded and re-recorded, filed and re-filed, and renewed or continued, at such times and places as may be required or permitted by law to create, perfect, and preserve such liens. In the event Tenant fails to promptly execute and return to Landlord such financing statements and other instruments as Landlord may require to create, preserve, and perfect its lien, Tenant shall and does hereby designate Landlord to act as Tenant's agent for the sole and limited purpose of executing such financing statements and other instruments and any such execution by Landlord pursuant to this Lease shall be effective and binding upon Tenant as though executed originally by Tenant. Tenant's designation of Landlord as agent hereunder shall not be subject to revocation until this Lease is terminated.

10.17 SECURITY DEPOSIT: Upon the execution of this Lease, Tenant shall deposit with Landlord a cash Security Deposit in the amount, if any, shown in Article I. The Security Deposit represents security for the faithful performance and observance by Tenant of each and every term and covenant of this Lease. Landlord may apply all or part of the Security Deposit to any unpaid rent or other charges due from Tenant or to cure any other default of Tenant. The Security Deposit shall not constitute liquidated damages. If Landlord uses any part of the Security

Deposit, Tenant shall restore the Security Deposit to its full amount within ten (10) days after Landlord's written request. Tenant's failure to do so shall be a default under this Lease. No interest shall be paid on the Security Deposit. Landlord shall not be required to keep the Security Deposit separate from its other accounts and no trust relationship is created with respect to the Security Deposit. Any portion of the Security Deposit which shall not have been applied as provided in this Lease, or shall not be required to repair the Premises after Tenant vacates the Lease, shall be returned to Tenant after the final calculation and payment of the Tax Excess and the Operating Cost Excess for the last calendar year of the Term. If no Security Deposit is required of the original lessee at time of execution of this Lease, then a Security Deposit may be required at time of assignment or subletting hereof, or upon the occurrence of a Default by Tenant.

**10.18 INCORPORATION OF PRIOR AGREEMENTS; MODIFICATIONS:** This Lease is the only agreement between the parties pertaining to this Lease of the Premises and no other agreements either oral or otherwise are effective unless embodied herein. All amendments to this Lease shall be in writing and signed by all parties. Any other attempted amendment shall be void.

**10.19 JOINT AND SEVERAL LIABILITY:** All parties signing this Lease as Tenant shall be jointly and severally liable for all obligations of Tenant.

**10.20 EXECUTION OF LEASE:** Submission or preparation of this Lease by Landlord shall not constitute an offer by Landlord or option for the Premises, and this Lease shall constitute an offer, acceptance or contract only as expressly specified by the terms of this Section 10.20. In the event that Tenant executes this Lease first, such action shall constitute an offer to Landlord, which may be accepted by Landlord by executing this Lease, and once this Lease is so executed by Landlord, such offer may not be revoked by Tenant and this Lease shall become a binding contract. In the event that Landlord executes this Lease first, such action shall constitute an offer to Tenant, which may be accepted by Tenant only by delivery to Landlord of a fully executed copy of this Lease, together with a fully executed copy of any and all guaranty agreements and addendums and moneys to be delivered at time of execution, provided that in the event that any party other than Landlord makes any material or minor alteration of any nature whatsoever to any of said documents, then such action shall merely constitute a counteroffer, which Landlord, may, at Landlord's election, accept or reject. Notwithstanding that the Commencement Date may occur and the Term may commence after the date of execution of this Lease, upon delivery and acceptance of this Lease in accordance with the terms of this Lease, this Lease shall be fully effective, and in full force and effect and valid and binding against the parties in accordance with, but on and subject to, the terms and conditions of this Lease.

**10.21 AUTHORITY:** As a material inducement to Landlord to enter into this Lease, Tenant (and, individually, each party executing this Lease on behalf of Tenant), intending that Landlord rely thereon, represents and warrants to Landlord that:

10.21.1 Tenant and the party executing on behalf of Tenant are fully and properly authorized to execute and enter into this Lease on behalf of Tenant and to deliver this Lease to Landlord;

10.21.2 This Lease constitutes a valid and binding obligation of Tenant, enforceable against Tenant in accordance with the terms of this Lease;

10.21.3 Tenant is duly organized, validly existing and in good standing under the laws of the state of Tenant's organization and has full power and authority to enter into this Lease, to perform Tenant's obligations under this Lease in accordance with the terms of this Lease, and to transact business in the state in which the Premises are located; and

10.21.4 The execution of this Lease by the individual or individuals executing this Lease on behalf of Tenant, and the performance by Tenant of Tenant's obligation under this Lease, have been duly authorized and approved by all necessary corporate or partnership action, as the case may be, and the execution, delivery and performance of this Lease by Tenant is not in conflict with Tenant's bylaws or articles of incorporation (if a corporation), agreement of partnership (if a partnership), operating agreement (if a limited liability company) and other charters, agreements, rules or regulations governing Tenant's business as any of the foregoing may have been supplemented or amended in any manner.

10.22 FLORIDA LAW: This Lease shall be governed by the laws of the State of Florida.

10.23 COUNTERPART: This Lease may be executed in more than one copy, each counterpart of which shall be deemed an original and any of which shall be deemed to be complete of itself and may be introduced into evidence or used for any purpose without the production of the other counterpart or counterparts.

10.24 TIME IS OF THE ESSENCE: Time is of the essence of this Lease and all provisions contained herein.

10.25 APPROVAL OF PLANS AND SPECIFICATIONS: Neither review nor approval by or on behalf of Landlord of any Tenant's plans nor any plans and specifications for any Tenant alterations or any other work shall constitute a representation or warranty by Landlord, any of Landlord's beneficiaries, the managing agent of the Premises or any of their respective agents, partners or employees that such plans and specifications either (i) are complete or suitable for their intended purpose, or (ii) comply with Applicable Laws, it being expressly agreed by Tenant that neither Landlord, nor any of Landlord's beneficiaries, nor the managing agent of the Building or Property nor any of their respective agents, partners or employees assume any responsibility or liability whatsoever to Tenant or to any other person or entity for such completeness, suitability or compliance.

10.26 RELATIONSHIP: Landlord and Tenant disclaim any intention to create a joint venture, partnership or agency relationship.

{M2104557;3}23

10.27 BROKER'S FEE: Tenant covenants, represents and warrants that Tenant had no dealings or negotiations with any broker, or Agent other than the broker(s) designated in Article I, in connection with the consummation of this Lease. Landlord agrees to pay any commissions due Broker as set forth separately between Broker and Landlord. Tenant and Landlord covenant and agree to hold harmless and indemnify each other from and against any and all costs, expenses (including reasonable attorneys' fees before trial, at trial, on appeal and in bankruptcy) or liability for any compensation, commissions, or charges claimed by any broker or agent claiming by or through the indemnitor with respect to this Lease or the negotiation thereof.

10.28 RIDERS AND EXHIBITS: All Riders and Exhibits attached to this Lease and all Addendums attached to this Lease and executed by both Landlord and Tenant shall be deemed to be a part of and are hereby incorporated in this instrument.

10.29 SURVIVAL: Tenant's ongoing or unfulfilled obligations shall survive the termination of this Lease, including but not limited to payment of additional rent adjustments which may be calculated and billed after the termination of the Lease.

Because this is a long-term lease, the insurance requirements hereunder may be modified by Landlord from time to time, in accordance with commercially reasonable standards for similar properties, during the course of the Term. **11.3 RELEASE AND WAIVER OF SUBROGATION RIGHTS:** The parties hereto, for themselves and anyone claiming through or under them, hereby release and waive any and all rights of recovery, claim, action or cause of action, against each other, their respective agents, directors, officers and employees, for any loss or damage that may occur to the Premises or the Building, and to all property, whether real, personal or mixed, located in the Premises or the Building, by reason of any cause against which the releasing party is actually insured or, regardless of the releasing party's actual insurance coverage, against which the releasing party is required to be insured pursuant to the provisions of this Lease. This release and waiver shall apply regardless of the cause or origin of the loss or damage, including negligence of the parties hereto, their respective agents and employees.
